

Science

Living things and their habitats

We will learn about habitats, microhabitats and animal food chains. We will investigate the microhabitats we have on the school grounds and find out what lives there.

English

Text: Traction Man is here by Mini Grey

We will revise basic punctuation using simple sentences and use conjunctions (and, because, but) to extend our sentences. We will learn to describe people and places using expanded noun phrases and we will use Traction Man to create our own simple 5-sentence stories.

Maths

Place Value

Counting to 20 and to 100.

Understanding tens and ones and partitioning numbers within 100.

Counting in 2s, 5s and 10s and comparing and ordering numbers.

Writing numbers.

French

Year 2 **Autumn 1 2025**

RE

Creation and Covenants

We will learn about the Bible and explore the story of Noah. We will learn how we join the Christian family through Baptism and begin to understand some of the symbols used in religion.

PE

Fundamental skills and gymnastics.

Music

Rhythm and Composition

We will work with tuned and untuned percussion to recognise and play different rhythms. Using these rhythms, we will create our own music to perform as a class.

History

Explorers: We will learn about the significance of a number of explorers including Ibn Battuta, Christopher Columbus and Neil Armstrong.

PSHE

Created and Loved by God

We will learn about our bodies, the differences between boys and girls and how to keep clean and stay healthy.

Art

Sculpture

We will explore using clay to create animal sculptures and will look at a range of work by famous sculptors for our inspiration.

Computing

Computer systems and Networks

We will be learning what IT is, how we use it in school and in the world around us, and how to stay safe.
