

Science

Everyday Materials

We will complete this unit of work by looking at the suitability of materials for a range of purposes.

Animals

We will learn about animal life cycles and explore what animals need to survive including how to eat healthily, the major food groups and why we exercise.

English

Text: Lila and the Secret of the Rain — David Conway and Jude Daly

We will write diaries and narratives inspired by our text.

We will learn how to write non-chronological report based on our Science topic *Animals*.

We will learn to use the past, present and progressive tenses consistently.

Maths

Money: coins and notes, word problems with money.

Multiplication and division: We will learn the 2, 5 and 10 times tables and solve problems using grouping and sharing.

Measurement: length and height.

French

Year 2 Spring 2 2026

RE

Desert to Garden

We will learn about reconciliation and forgiveness. We will recognise the symbols of light and water at Easter.

PE

Gymnastics and net and wall games

Music

We will continue to perform music using the glockenspiel. We will listen to a range of pieces and instruments to help us understand how different sounds are made and how they make us feel.

Geography

We will continue to learn about where we live and compare the UK to Kenya.

History

We will begin our exploration of the History of Aviation.

PSHE

Personal relationships

Special people, friendships, saying sorry.
Rules to help us stay safe in the real and online world.

Design & Technology

We will learn how to do a simple running stitch and make animal finger puppets from felt.

Computing

Data and Information

We will learn how to organise data, use tallies, pictograms and attributes.
