

## **Science**

### **Plants**

We will observe and understand how plants grow from seeds and bulbs. We will investigate what plants need to grow and flourish.

## **English**

**Text:** Little Evie in the Wild Wood by Jackie Morris

We will make predictions, write a setting description, write a narrative using the power of 3.

We will learn how to use commas in a list. Linking to our Science topic from last term, we will write non-chronological reports.

## **Maths**

**Measurement:** volume and capacity, temperature.

### **Fractions:**

Recognising parts and wholes, finding equal parts, halves, quarters, thirds.

## **French**

**Year 2**

**Summer 1 2026**

## **RE**

### **Ends of the Earth**

We will learn about the events leading to Pentecost, the conversion of Saul and the fruits of the spirit.

## **PE**

Athletics and gymnastics.

## **Music**

We will learn about the inter-related dimensions of music and explore binary composition.

## **History**

### **The History of Aviation**

We will explore how aviation has changed our way of life and learn about the early pioneers of aviation. We will look at the development of Concorde and consider how aviation may change in the future.

## **PSHE**

### **Keeping Safe.**

We will learn the difference between good and bad secrets, keeping healthy and what to do in an emergency.

## **DT**

We will make animal finger puppets using felt and will learn how to do a basic running stitch.

## **Computing**

### **Making music**

We will explore how to generate digital music using Chrome Music Labs.
