

This half term, children are invited to complete a range of home learning tasks linked to the curriculum and the learning taking place in class. While you are welcome to complete as many tasks as you like, we ask that you complete at least three tasks across different subjects, for example, one English, one Maths, and one from another area of the curriculum. **Home learning is due on 25th March for children to have the opportunity to share their work with peers and teachers across the year group and receive feedback the following week.**

English		Maths		Other Curriculum Subjects	
	Write a setting description about a rainy day. You could describe: <ul style="list-style-type: none"> - A dark forest in the rain - A city during a storm - The seaside on a wet day 		Measure 10 objects in your house with a ruler. Write down the measurement in both m, cm and mm. For example: 14 cm = 140mm Extension: can you measure 5 new objects and write down the cm and mm	R.E - Easter 	Draw or write 4 key parts of the Easter story: Palm Sunday The Last Supper The Crucifixion The Resurrection Put them in the correct order.
	Write an information report about the water cycle. You must include: A title, subheadings and clear paragraphs.		Make a poster on a step by step guide on measuring an object. It must include examples of measurements you have done.	Science - Rocks and Soil 	Look for 3 small rocks outside (garden, park, pavement). Describe each rock: <ul style="list-style-type: none"> ● Colour ● Texture (smooth/rough) ● Size Draw and label them.
	Write 4 sentences using the present perfect tense (e.g. <i>She has finished her homework.</i>) Then write the same sentences in the simple past tense . (e.g. <i>She finished her homework.</i>)		Draw 10 shapes and write the measurement of each side in m, cm and mm. Then find the perimeter for each shape. To find the perimeter you will need to measure and add all the sides together.	Geography Why do people live near volcanoes? 	Task: Create a newspaper page. Headline: "Life Near a Volcano!" Include: <ul style="list-style-type: none"> - An interview with a local person - A fact box about volcanoes - A picture with labels
	Write 5 sentences showing singular possession using apostrophe for possession (e.g. <i>The girl's coat was wet.</i>)		Draw and design a giant's bedroom. Write down the measure of each object with a ruler. Label your objects with their size and colour your picture (m, cm, mm).	Art - observational drawing of plant life. 	Go for a walk in your garden or park. Pick 3 plants to look at closely. Draw each plant, noticing leaf shapes, stems, and flowers . Add labels if you like (e.g., "jagged leaf").
