

Whitchurch Primary School and Nursery Physical Education and Sport Premium 2025/2026
'Evidencing Impact and Accountability'
£22,810

Sports and PE are an essential part of life at Whitchurch Primary School and Nursery. We have a PE subject leader (who is one of our coaches) alongside another sports coach who works closely with other staff members and curriculum leaders to ensure they are supported in delivering good to outstanding P.E lessons to all of our children. The P.E team delivers weekly outdoor P.E lessons to year groups across the school - additionally a second indoor session is taught by the class teacher. P.E is reflected in Whitchurch's key drivers – these underpin all decisions that are made within the school and can be seen in all elements of the curriculum. They are:

OUR CURRICULUM DRIVERS		
Driver	Reason	Aim
Aspiration	□ Many pupils need support in understanding and becoming aware of the wide range of career paths available to them and how to set targets towards achieving their goals □ Many pupils require the platform and opportunities to undertake a wide range of enrichment activities that can celebrate their talents and interests □ A need to provide children with role models that challenge preconceptions and inspire ambition □ Need to develop confidence and self-belief	Children at Whitchurch believe that anyone can achieve as long as they have a clear goal in mind and are encouraged to work hard, become more independent and motivated learners. Pupils can combine their academic studies and engagement with extra-curricular activities to become a well-rounded individual who is able to share and celebrate their successes with confidence and pride.
Lifelong Learners	□ Many pupils require support to take risks within their learning and use their curiosity and creativity to work more independently and expand their general knowledge □ Many pupils need to develop a wider range of problem solving strategies, as well as the ability to challenge and apply these strategies to real life scenarios	Whitchurch's school motto is 'Growing through Whitchurch - through early learners to confident leaders'. Pupils fulfil this ethos by motivating and inspiring themselves and others to believe that learning is a process that is always on-going. Pupils are able to draw upon their knowledge, skills and values to broaden their knowledge of the world and provide them with the tools needed to help them in their future endeavours.

	□ Opportunities to make connections within the curriculum and their daily lives to enhance schema for retaining more information for longer	
Active and responsible global citizens	□ Challenges and potential conflicts within a multicultural community and the need to develop tolerance and respect towards others □ Pupils have limited opportunities to develop the knowledge, skills and values they need to engage with the world and see that they have power to act and influence the world around them. □ Pupils have a duty to safeguard Earth for the next generation and beyond. They need to be able to understand how to play a prominent role within society towards building sustainability and fairness within the environment and the human race	Whitchurch children exhibit understanding of and respect for those with different backgrounds and beliefs. They demonstrate a willingness to engage with and support community cohesion and inclusion, whilst being able to challenge inequality at all levels. They are respectful, kind and ambitious members of the community and the wider world are well aware of their role in the world.
Mental and Physical Well-being	□ Impact of the global pandemic has led to pupils and families living in challenging circumstances with a lack of regular opportunities for play, social interaction and outdoor learning □ Many children require support in developing their resilience to life's challenges and developing a growth mind-set □ Many children require further support in understanding and expressing their emotions knowing how to take ownership of their emotional well-being	Children at Whitchurch are taught how to express and manage their feelings and emotions in a calm and nurturing environment. They are taught how to promote their self-esteem, self-worth and emotional well-being. They are taught the importance of growing healthy connections with trusted others and how to recognise these.

At Whitchurch Primary School we recognise the importance PE plays in the curriculum and are committed to providing all children with opportunities to engage fully in Physical Education. The aim of our PE programme is to develop children's basic physical competencies, build confidence in their ability and build the foundations for a lifelong love of sport, physical activity and a healthy lifestyle. PE lessons encourage children to compete against themselves and others whilst being challenged to improve their physical, social, emotional and thinking skills. Whitchurch continues to use the Get Set 4 PE scheme that promotes these skills as well as team building and problem solving which they can then use when learning to play a sport. Learning transferable skills is vital to build the foundations to be able to play a variety of sports.

In Early Years, children take part in active play where they develop fundamental motor skills through their own exploration and curiosity. The P.E team also delivers one session of P.E to the children each week to introduce and reinforce their development in these fundamental areas. The Outdoor areas in Reception provide an excellent space for children to explore skills used in Games and Athletics which are developed when the children progress into Year 1. Year 1 has also developed outside areas that the children are able to use at various points throughout the day.

In Years 1 through to Year 6, the children take part in two hours of P.E per week. Our curriculum (designed with the scheme of work: Get Set 4 PE) is available to teachers to provide structured and progressive lessons in various games/sports, gymnastics, athletics and dance. They also practice fundamental skills at the start of each year so that pupils learn the core basics required for physical sport and exercise. Teaching staff use a cross-curricular approach when teaching and link PE with their topic work and other subjects where appropriate.

All children are given the opportunity to compete in an annual sports day held within the local community in the summer term, which is part of a wider sports week. Being part of the HSSE for P.E we are able to join other schools in the borough to attend CPDs and enter events and festivals to compete against them throughout the academic year.

We continue to ensure there are a wide range of sports clubs that are run by staff at the school and other external providers that the children can attend throughout the year, examples of these are: karate, taekwondo, football (boys and girls KS1-KS2), dance including ballet (Stagecoach and Select), musical theatre, athletics, cricket for all age groups, multi-sports (EYFS – KS1), badminton, basketball, table tennis, gymnastics and netball..

The P.E team works closely together to promote active engagement in competitive sport throughout the year. The school participates in various competitions across Harrow competing against local schools to promote a competitive spirit, as well as provide real world experience of competing against their peers of a similar age and raising awareness of sports and exercise that they can engage with outside of the school setting. Across Harrow, Whitchurch participate annually in the: Cross-Country Championships, Y5/6 Boys' and Girls' football leagues, the Barnet Cup, Y3/4 Boys' and Girls' football leagues, KS2 netball competitions, gymnastics galas across the school, KS1 multi-skills festival, Y5/6 cricket tournament and KS2 table tennis, badminton, tag rugby and hockey tournaments. Our school has links with the local community where companies have helped in engaging children in the importance of becoming a healthy and aspirational individual. These include Barnet FC, Tottenham FC, Middlesex County Cricket Club, Harrow Hockey, The Elms, Select School of Dance, Park High School and Everyone Active in Hatch End.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
● Pupils' views of P.E – positive perception ● Embedding P.E curriculum (linked to GetsSet4Pe) – opportunities to try different sports, development of knowledge and skills over time ● Variety of sports taught and on offer at Whitchurch ● Pathways for pupils to engage in sport inside and outside of school e.g. competitions ● Continue to develop the range of sporting after-school activities available. ● Continue to improve our extra-curricular programme targeting more children, and encourage staff to be more involved to promote healthy living ● P.E curriculum team has greater subject knowledge ● Cross-curricular links embedding eg PHSE (Healthy Me, Travel For Life award achieved linked to P.E – this is helping to encourage more families to walk, scooter or ride their bikes to school), physical/practical maths eg counting – lessons link to the school values ● Taking part in a range of sporting competitions including badminton, tag rugby, table tennis, gymnastics and hockey ● To improve the facilities by investing in an enclosed area in the playground to develop teamwork and social skills - introducing OPAL	Key Indicator 1 ● Increasing engagement of all pupils in regular physical activity and sport ● <i>To encourage active play at break and lunchtimes and increase pupil engagement in daily exercise and sport by developing a sports leader programme and introducing OPAL - see what the impact has on the pupils' active movement.</i> ● <i>A focus on gaining the Healthy Schools Award - incorporating daily exercise activities into the daily class timetable.</i> ● <i>Celebrating achievements in newsletters, social media platforms and in assemblies.</i> Key Indicator 2 ● The profile of PE and sport is raised across the school as a tool for whole-school improvement ● <i>Everyday active lifestyle – eg Daily Mile, recreational play activities organised by Sports Leaders, Everyday 30 and disability sports</i> ● <i>Use of Assessment from Getset4pE – making it more meaningful (tracking progress and attainment/celebrating successes) e.g. analysing data - having a plan/intervention for those children who are not within the success criterias.</i> Key Indicator 3 ● Increased confidence, knowledge and skills of all staff teaching P.E and sport. ● <i>CPDs attended by relevant staff including SMSAS, ECTs, LSAs hosted by local schools in the borough as per the HSSE package.</i> ● <i>Workshops organised to support teachers with topics such as dance at the beginning of the term to gain more confidence teaching specific topics.</i> Key Indicator 4 ● Broader experience of a range of sports and activities offered to all pupils ● <i>Morning and after-school clubs</i> ● <i>Outside companies/sports clubs</i> ● <i>Local companies e.g. Harrow Hockey club to work with children and P.E Team to co teach classes.</i>

Developing inclusion – focusing on SEND (EHCPs), More/Most Able – how do we make P.E lessons more challenging?	<i>Companies to attend to work with pupils with SEND and upskill P.E team in delivering sessions for pupils with SEND</i> Key Indicator 5 Increased participation in competitive sport <i>Developing partnerships with other schools/organisations – more competitions/hosting competitions (eg Stanburn, cluster schools), CPD for staff (including P.E lead), links with FoW and families</i> 25.26: - Developing the leadership of P.E – importance of P.E/exercise (mental/physical well-being), subject knowledge of staff and pedagogy linked to teaching P.E - Starting in Nursery (January 2026) - Develop staff subject knowledge – modelling, team teaching, sharing of good practice, communication with colleagues regarding pupils’ needs, support for ECTs - Support staff role in P.E lessons - To organise more outside companies to deliver sessions/workshops to children that relate to their P.E topic e.g Select dance, Middlesex or Harrow School coaches for cricket, stadium tours for football.
