Year 5 Meet the Teacher
September 2026

Our Vision

The Whitchurch family rests at the very heart of everything we do, celebrating our uniqueness and building on our community's strength. We support our children to become confident, resilient and socially responsible global citizens who set and achieve the highest standards for themselves. We work in partnership with the whole community, respecting and responding to its voice and valuing its diversity. Our school provides a broad and rich curriculum that engages each and every child to know more, remember more and aspire for more.

Our Mission: During every school day...

- Children thrive with our broad and rich curriculum that inspires and motivates a love of lifelong learning and achievements.
- We plan stimulating learning experiences, inside and outside of school, where children practise, develop and apply new skills, knowledge and understanding.
- Children build values that will help support their confidence and their resilience in life beyond the school gate.
- Our whole community is happy, safe, secure and supported in learning together.
- The school community celebrates the importance of its cultural diversity, learning from one another in order to grow and develop together.

Pick up and Drop off times

Morning drop off:

Children should be dropped at either main gate or Marsh Lane which are opened at around **8.35am**. We have a 'soft start' which means children can arrive from **8.35am until 8:55am** when the gates are locked. After that time children are registered as late and should report to the main school office.

Afternoon collection;

Learning time finishes at **3.25pm** and parents/carers need to wait patiently at the patio door. Sometimes it might be a few minutes later. If you want to speak to the teacher please wait until we have dismissed all other children (the handing over of children is our priority at the end of the day).

'Growing through Whitchurch - from early learners to confident leaders.'

Attendance and Punctuality

- Daily attendance at school is of the **utmost importance**.
- Please ensure that your child is always on time:
 - The school gates open at around 8:35am
 - Children are expected to be punctual in the morning so that they do not miss the morning routine / challenges
- **Please do not book holidays during term times** – these **will not be approved** and your child will have these days recorded as unauthorised
- As much as possible, please ensure you book appointments outside of school day

'Growing through Whitchurch - from early learners to confident leaders.'

Attendance and Punctuality

Booking School Meals

We strongly recommend a hot school meal in the middle of the day. Children are supported in the hall and we ensure they are encouraged to eat and try new things

Kindly book for the full half term through ParentPay. We have bands which are given to the children in the morning. The colour is dependent on your child's choice of food:

Red: meat and fish option

Green: vegetarian options

Yellow: vegan or alternative option

Packed lunches are discouraged for a number of reasons;

- Difficult to ensure a healthy balance of all the essential food groups;
- We have a number of children with extremely serious allergies and have to be strict about the food coming into school;
- It's more difficult for us to monitor what children are eating;
- We may replace any packed lunch that is not compliant with our lunch policies (we will of course advise parents of our concerns).

'Learners today, leaders tomorrow'

Key Information - Reading

Reading – Children in Year 5 are continuing to work on their reading stamina, pace and understanding. Children need to read **with an adult** for a minimum of 20 minutes a day (BUG CLUB) or their reading book (matched level and free choice - as per the home learning policy).

This is so that they **can ask and answer questions**, work on their **decoding** and **vocabulary skills** and **to ensure they are not skipping through words, phrases, sentences and paragraphs that they do not understand**. This cannot be achieved when reading to one's self (this is 'reading for pleasure' and encourages a life-long love of reading.)

When you have read with your child, they need to log the name of the book, pages read and a **reflection** of what they have read in the diary and it will need an adult signature. Diaries are checked by the teacher every **Monday**.

Children should bring their dairies to school **every day** so they can start to log important messages and information.

'Growing through Whitchurch - from early learners to confident leaders.'

Key Information - Reading

Bug Club is an online reading platform used to support children's reading at home. Pupils are expected to log in regularly to read books assigned to their account and complete the short comprehension questions. Teachers can monitor progress and engagement through the platform.

In KS2, pupils can login and click on '*My Work*' to read books allocated to them by their class teacher. They can also click on '*Reading Corner*' to explore a range of online books to enjoy either independently or with an adult.

Whitchurch's Recommended Reading List

Year 5

This year, children will take part in our **Recommended Reading Challenge**, encouraging them to explore a wider range of high-quality books and develop a love of reading.

- Children will take home a **recommended reading book**
- After reading the book, they complete the challenge **independently or with support from a parent/carer** in their **Reading Challenge booklet**.
- Children will work towards **Bronze, Silver, Gold and Platinum** awards, earning certificates and special rewards along the way.
- Books can be changed **once a week**. Some may take longer to finish, and children should aim to **read the whole book** before completing the challenge.
- If your child does not return their reading book, they will not receive a new one until it is returned. If the book is lost, we encourage parents to buy a replacement book or pay a £10 replacement fee.
- Please keep the **Reading Challenge booklet inside your child's reading diary/journal** and return books with their bookmark inside.

Key Information- Handwriting

Teachers modelling handwriting:

Cursive handwriting to be implemented by all adults when writing in pupils' books, on the whiteboard, on classroom displays and printed resources.

Pen licence:

To be awarded to any pupil (irrespective of Year group) who is proficient in writing in cursive/joined up, using most of the rules set out by the Nelson Handwriting Scheme.

Regression in handwriting:

This can lead to the pen license being taken away, however, intervention would be put in place to support children in improving writing, before such action is taken.

Key Information- Trips

Our main event is the **Year 5 residential trip to Woodrow High House in Amersham**, which will run from **Thursday 4th March to Friday 5th March 2027**. If your child does not wish to stay overnight but would still love a fun day out, we have also organised a **day trip, to the same venue, on Friday 5th March 2027**. This ensures every child can take part in a special school trip, and coach transport is included. The cost for this option is **£78.00 per child (or £39.00 for pupils eligible for Pupil Premium)**.

To help spread the cost, you can pay in instalments over the coming months. An initial deposit will be required to secure your child's place, followed by a payment schedule running until December. Please note that **all final balances must be paid by the December deadline**. If payments are not finalised by then, **your child will unfortunately not be able to attend**. To secure your child's place, the deposit payment must be received by **Friday 18th September**. The remaining instalment payment schedule will then be set up on Parentpay.

Residential deposit amount:

£50 deposit payable via **Parentpay**. £40 deposit for pupils with a sibling in the same year group. £25 deposit for pupils who are eligible for Pupil Premium.

Day Trip deposit amount:
