Pinner High School was one of just eight schools in the country shortlisted for the 2020 TES Secondary School of the Year Award, out of over 4000 eligible schools nationally. We were rated 'Outstanding' in all categories by students, staff and parents in June 2017, and 'Outstanding' in all categories by Ofsted in May 2019.

Our Ethos

Pinner High School is a learning based community with high aspirations for all. We provide a first rate personal, inclusive education, through a tried and tested curriculum carefully supported by individual pastoral care. Students have the opportunity to excel in and out of the classroom, on the sports field, on the stage, in the community, enjoying a wealth of enrichment opportunities.

We bring life to the motto 'Inspiring Learning'. A great deal of this comes with the exceptional every day experiences students expect with our first class staff. It also demonstrates the responsibility our young people will have as Pinner High School students to make a commitment to inspire others. We will equip our students with an understanding of themselves, an appreciation of the world around them and a desire to innovate and solve problems as active contributors to society.

The Sacred Heart Language College for Girls is a modern Catholic institution, committed to providing up to date education fit for today's society. We are a multicultural, diverse institution located in the heart of our community and are proud of our provision of education within a Catholic framework. This ensures that we maintain our historical and contemporary position as one of this borough's highest achieving academic institutions who have been graded by Ofsted as outstanding in 2008, 2014 and 2024. We are proudly Catholic and celebrate Christ at the centre of our education and lives. We welcome students of other faiths who respect our culture, as we respect theirs, and we foster a real sense of community which makes everyone feel valued and where wellbeing is all important. Our CSI inspection in February 2026 judged our College to be outstanding in all 9 categories.

Aims

The aims of our College are very clear: to enable our students to come to a deeper knowledge of Christ; to discover and use their individual gifts and skills; and to be aware of the importance of integrity, honesty and justice. We develop their knowledge, skills and abilities so as to provide an excellent foundation for high achievements. We proclaim the Gospel of Christ so that the girls live by these values now and in the years to come.

Opportunities for a Catholic Education

Our faith underpins all aspects of our school life. Pupils are empowered to respond to God's call to service. Girls are encouraged to make a real contribution to the wider community. As such charity work is an important part of our school life.

Applying for schools in other boroughs

Parents of children who live in Harrow may apply to schools in neighbouring boroughs. Similarly, parents of children who live outside Harrow may apply to schools inside Harrow. It may be true that the nearest school or schools to your home are located in other boroughs.

You can apply to schools in other boroughs by simply naming them on your application form in the usual way. You should only fill out one application form, and that should be the form from the borough where you live. So if your child is a Harrow resident, fill out a Harrow form – even if you are not applying to any Harrow schools. You can only apply to a maximum of four schools in Hertfordshire.

Please find contact details below for admissions departments in neighbouring Councils where you can get advice on school open days, admissions arrangements and other details.

Recap

- Think what kind of school your child is best suited to: You may want to think about if you want a same sex school or, a faith based school does the school have a specialism in the arts, sports, science etc., uniform vs. non uniform school, are there breakfast clubs / afterschool clubs, travel to and from school.
- Familiarise yourself with the admissions criteria for schools.
- Look at the information on how places were allocated in previous year.
- Look at the school Ofsted report / school website – schools do change over time so it is important to get your information from a variety of sources and remember that not everything you hear about a school may still be true.
- During your research, you will need to read the admissions criteria for the school(s) you want to apply to.

Preparing your child for Year 7

- Encourage independence
- Develop organisation skills
- Support reading and homework routines
- Discuss travel arrangements
