Home Learning Overview

EYFS to Year 6

At Whitchurch, we recognise the important role that home learning plays in reinforcing classroom learning, developing independence and encouraging a love of reading.
The overview below outlines the home learning activities and resources available to children across each year group.
These activities are designed to help children practise key skills, consolidate their learning and share their achievements with their families.

	EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Maths		**Weekly** maths activities provided in home learning books.	Practise times tables using Times Tables Rock Stars (TTRS) **daily**. Complete **weekly** maths activities on CENTURY. The books and resources listed reflect what is provided or available to children in each year group, depending on their reading level.*	RWI Speed sound sheets **or** RWI Phonics book and RWI Book bag book Recommended Reading book Library book Bug Club (reading corner only)	RWI Speed sound sheets **or** RWI Phonics book and RWI Book bag book Recommended Reading book Library book Bug Club (reading corner only)	RWI Speed sound sheets **or** RWI Phonics book and RWI Book bag book Recommended Reading book Library book	RWI Phonics book and RWI Book bag book **or** Book band book Recommended Reading book Library book	RWI Phonics book and RWI Book bag book **or** Book band book Recommended Reading book Library book	Book band book **or** Free choice book Recommended Reading book Library book Bug Club (assigned books and reading corner)	Book band book **or** Free choice book Recommended Reading book Library book Bug Club (assigned books and reading corner)

			Bug Club (assigned books and/or reading corner)	Bug Club (assigned books and/or reading corner)	Bug Club (assigned books and/or reading corner) Record your thoughts/opinions on book/pages read every day	Record your thoughts/opinions on book/pages read every day	Record your thoughts/opinions on book/pages read every day
Spellings		A spelling overview will be provided in home learning books each half term. Children should practise their weekly spellings and write a sentence using each spelling word.					
Half-Termly Home Learning		A home learning activity sheet is provided at the beginning of each half term, containing a range of tasks covering writing, maths and the wider curriculum. Children should complete a selection of these tasks at home and share their learning with their classmates during a Home Learning Showcase in the final week of the half term.					
Additional Learning Resources	Weekly home learning activities covering communication and language, literacy, maths and other areas of the EYFS curriculum are shared on Tapestry. Weekly RWI phonics videos to support quick recall of sounds.	Weekly RWI phonics videos to support quick recall of sounds.
