Reading and Phonics

We continue to follow the Moseley Phonics Scheme to teach your child to read. In year 1 we learn Phase 5 sounds.

ay	ou	ie	ea	ey
oy	ir	ue	aw	
wh	ph	ew	oe	au
a-e	e-e	i-e	o-e	u-e

Everything we learn will be checked in the summer term as part of the Phonics Screening Check.

We doing small group, guided reading 3 times a week.

During our whole class guided reading, we will read a book together across a half term. This half term the book is 'Beegu'.

Writing

Writing is assessed each half term. We cover a variety of genres so that your child is able to write fluently and for a purpose.

A child working at the expected level should be able to do the majority of the outlined criteria, independently.

Wider Curriculum

Please see the website or attached document for the comprehensive wider curriculum for the year.

We have spent a long time as a staff ensuring that the curriculum is broad, balanced and challenges the children at Moseley appropriately.

We teach our subjects discretely so that children understand we gain different knowledge and skills in science than we do in history or art.

Thank you!

I hope that this has been informative!
