

Good afternoon,

Wow – How quickly are the weeks flying by, and although we are enjoying some winter sun, it is getting very chilly on a morning! There is a link here to our school calendar, which you can also access on our website – so you can stay up to date with all upcoming events – <https://www.moseleyce.bham.sch.uk/events>

It was lovely to see so many YR parents at the YR Phonics Workshop – Miss Barker said it was really productive – we hope you learnt lots about how you can help your child with learning their phonics and reading at home.

We are pleased to let you know that the school photographer will be visiting on **Wednesday 19th November**.

Individual photographs of all children will be taken during the school day (AM)

Family photographs will also be available between **8:00am and 9:00am, in the school hall**. If you would like a family photograph, younger siblings are very welcome to attend at this time.

To help us plan, please complete the short survey below to let us know if you would like a family photograph: <https://forms.office.com/e/sgEfaafvsV>

This week, Year 4 will be collecting items for the local food bank linked to their Harvest service at St. Agnes on Thursday 2nd October.

The collection trolley will be outside the front of school every morning for children to hand in any donations as they arrive.

As always, the food bank will accept any non perishable goods

****Reminder about a school closure sent via School Spider -**

Birmingham Elections Office today informed us that our school will be used as a polling station for the upcoming by-election following the sad passing of Councillor Kerry Jenkins (Moseley Ward). In light of that, **school will be closed to all pupils on Thursday 23rd October 2025**. Instead, we will put in place our Remote Learning Policy (more details to follow) for that day so that your child can continue learning from home.

Please read the information about road works that may cause severe disruptions to your commute to school ...

September 2025

from 15 September 2025 for up to 3 months

Transport for West Midlands would like all students and staff to be aware of upcoming roadworks at St Mary's Row in Moseley. We encourage you to plan journeys carefully to and from your site.

Highway works at Moseley Village Rail Station are set to take place for **up to three months** in several phases, with the first beginning on **Monday 15 September** at the junction of St. Mary's Row and Oxford Road.

For up to 3 months, **traffic signals allowing a single lane of traffic** will be introduced to a small section of St Mary's Row, Moseley.

Oxford Road will be **closed** at the junction of St Mary's Row with a reduction in car parking spaces in this area.

There will be a **local signed diversion to the Marks & Spencer's car park via School Road**.

Oxford Road will remain open to pedestrians and cyclists.

To stay up to date with roadworks please visit our webpage for the most up to date information please visit: tfwm.org.uk/moseley-station

TWM have also created a free, easy-to-use **toolkit** so you can stay up to date with any changes

<https://wmca.assetbank-server.com/assetbank-wmca/action/viewAsset?id=29718&index=0&total=11&view=viewSearchItem>

In the summer Alice K (Year 2) took her first ballet exam. She recently found out that she passed with the highest possible marks! Well done Alice – super achievement 😊

Here is a photo of Florence (also from Y2) getting dance awards at the weekend for passing her tap, ballet and freestyle exams. We are all very proud of her :-)

A message from Miss Barker - Last Sunday, Moseley Parish broadcast a service for the national C of E weekly service and Rachel, Rev. Ange, Rev. Magdalen and a number of our children were involved. It was fantastic to hear the children talking about how they served the church and community - including children from YR through to some just finished Y6 children!

<https://www.churchofengland.org/prayer-and-worship/join-us-church-online/weekly-online-services/service-fourteenth-sunday-after-trinity>

Reminders -

Snacks - Some children and parents have been asking about snacks and what they are and aren't allowed to have.

Other children and parents have queried what stationery the children are allowed to bring to school. A letter was sent out at the end of last school year – children are reminded to bring healthy snacks for break – no crisps or chocolate biscuits or sweets.

Stationery - Children are encouraged to bring their own stationery, especially glue and pencils; it helps children to be responsible for their equipment and also helps them to start their work straight away. :)

An urgent appeal ...

Please, please make sure you have labelled all your cardigans and jumpers and coats.

The children get hot at break times and so take jumpers off. These are then left in the playground and not claimed.

We don't want the huge pile of clothes that stacked up at the end of the summer term to return. If uniform is labelled, it stands a much better chance of being returned successfully. 😊

The 'salt and ice challenge' is a dangerous online trend where people hold salt and ice against the skin to see how long they can last. It can cause painful cold burns and lasting scars.

If hurt:

- cool under running water for 10 mins
- cover with cling film
- seek medical help

ALT

Also -

We have been made aware of a dangerous 'challenge' which is on the internet at the moment – please make sure you are monitoring what your children are watching – some people are filming themselves doing this and others are encouraging the viewers to 'Rise to the Challenge!'

Let's work together to ensure your children are safe at all times when they are on the internet.

Details about 'Mental Elf Birmingham ...

We hope you are doing well 😊 We are getting in touch today as we have a festive, family event happening.

We are excited to confirm our third Mental Elf event has been officially launched across our socials and website.

We are incredibly passionate about growing this event here in Birmingham, to raise awareness for mental health and Birmingham Mind's services,

Our "Eager Elf" discounted tickets are on sale now. The first 50 people to buy a ticket will be entered into a prize draw to be in with the chance of winning a voucher for 4 people at Drayton Manor!

Tickets can be purchased

here: <https://www.eventbrite.co.uk/e/mental-elf-festive-fun-run-birmingham-2025-tickets-1470086591569>

All information for Mental Elf, including volunteer information is on our website here: <https://birminghammind.org/get-involved/fundraise/mental-elf-2025/>

What's brilliant is that every person who takes part or volunteers for Mental Elf this year, will receive a FREE day pass to use at National Trust up until 27th March 2026. So, there's loads of great reasons to get involved this year!

Best wishes

📍 **Venue:** Riverside House, 21 Alcester Road, Moseley, Birmingham, B13 8AR.

Interested? – Then sign up using the link below

<https://riversidechurch.churchsuite.com/events/yovsboor>

Following on from our 'Parking Safely' information and flyers, we have noticed cars are still parking over driveways around school – please be courteous to residents on roads around school and don't block driveways.

Also, please read the flyer below – 'idling' cars, with engines running while waiting for the school gates to open can make the air unpleasant and dangerous to breathe – please think about people who are walking on the pavements around school – for our school community, but also for other pedestrians as well.

YR News

Emotions Thief

This week we considered what would happen if a thief stole one of the emotions. We drew our thief and wrote the thief's name.

How do you feel?

After exploring 'The Colour Monster' and learning new vocabulary such as 'tranquillity', 'discombobulated', 'enraged' and 'sobbing' we talked about how we were feeling and used collage resources to make our own feelings faces.

RE

During RE this week, we listened to the Christian story of creation. We then discussed our favourite parts of the story before making our tissue and paint earths.

Phonics

Reception have been blowing us away this week with their fabulous acquisition of phonics skills. They are super segmenters and blenders.

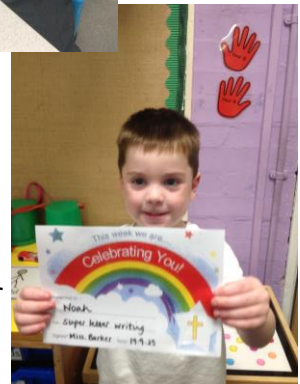

Outdoor Equipment

We were so excited to open our new equipment boxes this week. We were very lucky to receive lots of new equipment for the outdoor area from the PTA. The boxes have been waiting in the conservatory so on Friday we carried all the boxes outside and then followed the plans to place the equipment in the right places.

We are celebrating you!

This week we are celebrating Noah for his super letter formation.

YR News

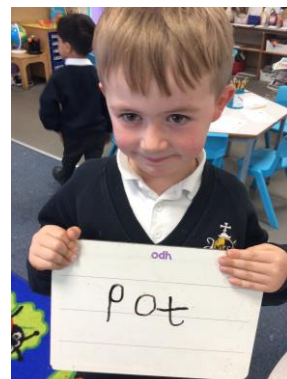

Guess Who?

This week we talked about changes from babies to children and worked hard to match pictures of our friends to their baby photos.

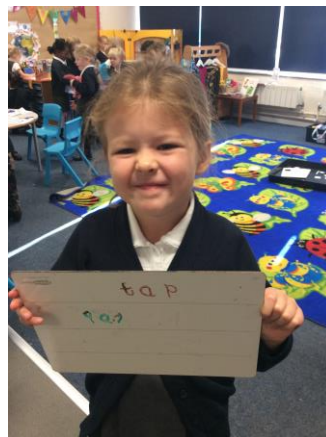

RE

During RE this week, we talked about God as a special creator and learnt that for Christians God's name is special. We then used shiny materials to decorate God's name.

Matching and Sorting

In maths this week, we have been learning about sorting and matching objects. We pegged socks onto the line in pairs and then we sorted buttons into dishes, sorting according to colour and shape.

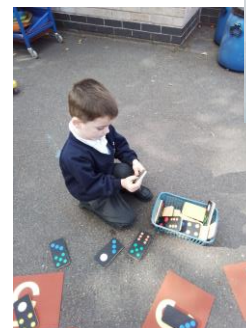

Phonics

Reception have been blowing us away this week with super segmenting and writing of words. Well done Reception!

Outdoor Learning

We have enjoyed the beautiful sunshine this week and have been busy weaving into our new weaving pyramids and matching dominoes to numerals.

Self Portraits

We looked very carefully at ourselves in the mirrors and used paints to create our own self portraits.

We are celebrating you!

This week we are celebrating Scarlett for being an enthusiastic writer!

YR News

Superhero Day Special!

On Friday Reception enjoyed a very special Superhero Day! We came to school dressed as superheroes and enjoyed some superhero poses, superhero dancing, making superhero split pin characters and then some very special PE. We had to climb over the hazard tape without setting off the alarms and collect some lava. Later in the day we painted boxes to make our very own superhero city! We cannot wait to start our superhero themed learning this coming week!

Year 1 News

Portraits

This week in Art, we have been drawing portraits using familiar shapes in the style of Paul Klee. We noticed that faces can be reinterpreted using a mixture of regular and irregular shapes. Next week, we are going to be adding colours to our designs.

Blast off!

To help practise counting backwards, we made paper rockets and launched them using a countdown to zero.

Four Seasons

In Science, we have been learning about the four seasons and how deciduous trees change throughout the seasons. We watched time-lapse videos showing bare trees, vibrant green leaves and autumnal hues. From this, we created artwork representing trees changing throughout a year.

Get Up, Stand Up Vocabulary

We've learnt four new words and actions this week in relation to our story, Gigantic by Rob Biddulph. They are:

- Jovial
- Collaboration
- Heartless
- Resilient

See if your child can remember the actions and definitions of these words!

This week, we're celebrating Victor for generously sharing his knowledge about sea creatures with the class!

Writers of the Week are Ivor and Sylvia for writing thoughtful letters to Ruby from the book, Ruby's Worries.

Year 1 News

Lines and Shapes

We explored the artwork of Brianna McCarthy and created our own portraits inspired by her style. We used pencils to draw lots of repeated lines and shapes to add extra detail to our work. The outcomes were quite spectacular!

Comparing Numbers

We have been learning about inequality symbols ($<$ and $>$) as a way of comparing numbers. We built our own symbols out of paper straws and masking tape and used them to compare towers of cubes and numicon.

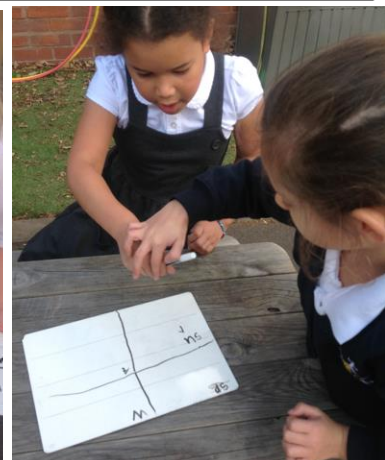

Hours of Daylight

In Science, we explored how hours of daylight change depending upon the season. We found hidden clues around the playground stating with the average number of hours of daylight in each season and recorded them on a whiteboard. We then used this data to create a pictogram.

Gymnastics

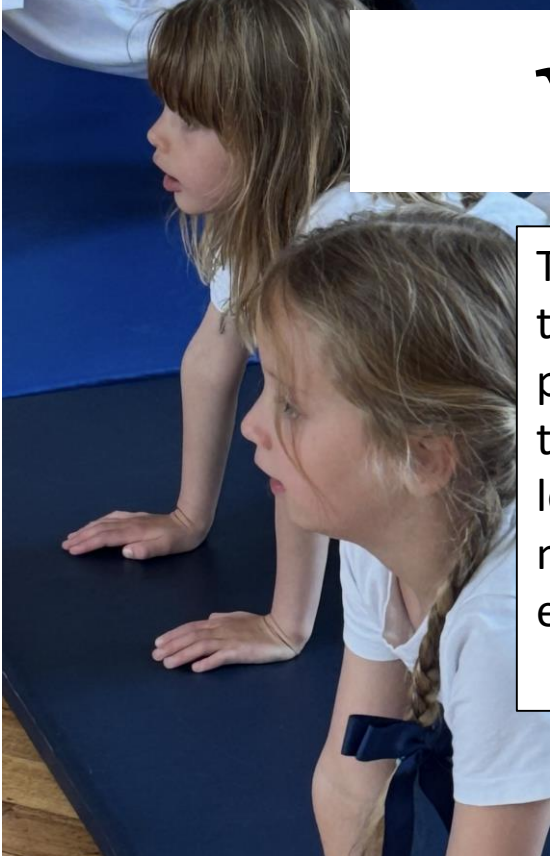

This week in PE, we have been learning about different types of rolls. We practised pencil rolls and egg rolls before progressing to forward rolls.

This week, we're celebrating Kushi for making a fantastic start at Moseley CE Primary!

Writers of the Week are Remi and William for writing excellent setting descriptions about the ocean.

Year 2 News

The children have been working hard on improving their writing and maths skills. We have been planning and crafting some imaginative narratives that truly showcase their creativity. In maths lessons, the focus has been on comparing numbers, which they are grasping with enthusiasm. It's fantastic to see their progress.

Year 2 had a fantastic time honing their gymnastics skills this week! The children explored a variety of rolls, showcasing their creativity and teamwork on the mat. It was wonderful to see their confidence grow, and everyone left with big smiles and a sense of achievement.

The children have been developing their musical skills, and it's been wonderful to witness. They've shown lots of great talent! It's so fantastic to see their enthusiasm and creativity shining through.

Shining Star!

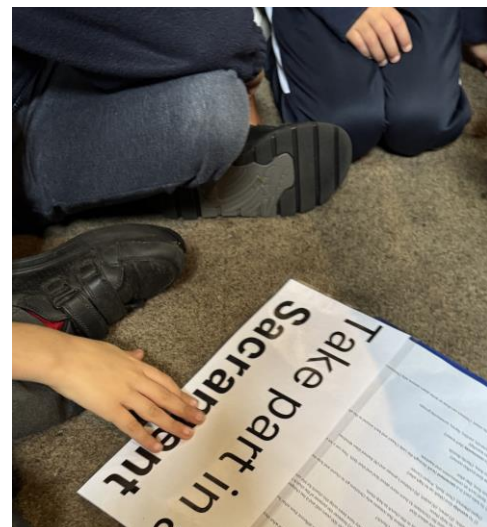

Our Shining Star this week is Emily T! Amazing work.

Year 2's visit to St Mary's Church.

We had a wonderful trip with Year 2 to St Mary's Church! Rachael was absolutely amazing, guiding the children through all the reasons why people attend church. Her enthusiasm and knowledge really brought the experience to life for our children. This visit has been a fantastic support for our RE lessons, where we are currently exploring the significance of churches in our community. It's incredible to see the children's curiosity and understanding grow as they connect their classroom learning with real-life experiences. A big thank you to Rachael for her invaluable contribution!

Year 2 News

This week has been fantastic! The children developed their passing skills in football, really showing improvement and teamwork. Meanwhile, they also created intricate sky lantern patterns for our class display, showcasing their creativity. It's wonderful to see them engage in both physical and artistic activities, bringing our classroom to life.

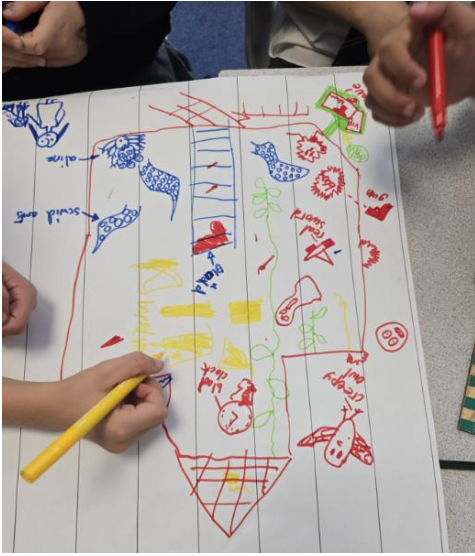

This week in art, the children explored the wonderful world of texture by making rubbings of various materials. It was a fantastic way for them to engage with their surroundings and discover how different surfaces can create unique patterns.

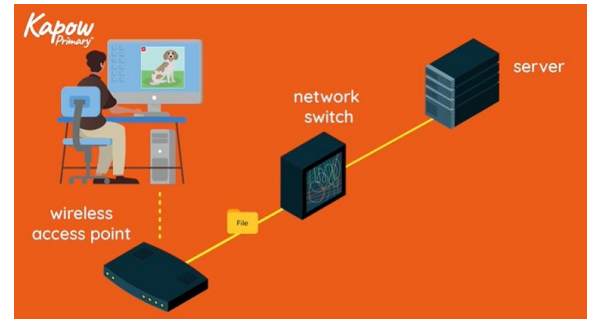

Shining Star!

Our Shining Star this week is Alice K! Amazing work.

Year 3 News

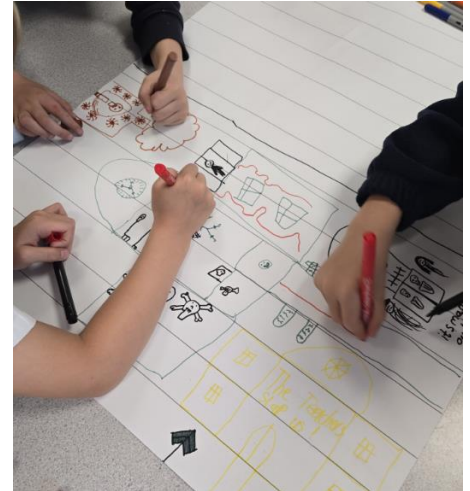

In Jigsaw this week, we were thinking about what would make our school a 'nightmare school'. We discussed having no windows and no lunch or break times. Then the children drew what this might look like.

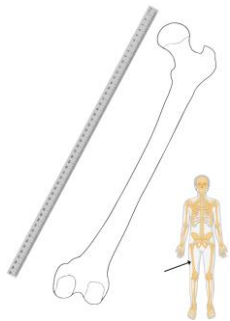

In Computing, we learned about the journey of a file when it is sent or saved in a network.

In Maths, we have continued our learning about place value and this week covered numbers to 1000. We had also found 1, 10 and 100 more and less to a number.

In English, we have started the drafting process for our first piece of writing this year. We are writing our own folktales based on the story of the Baba Yaga.

In Science, we were learning about the bones in our body and what each one does. We then measured some bones to see how big they were.

This week's start is Meerab for being a fantastic role model to all in the class!

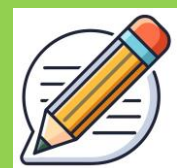

Writers of the week:

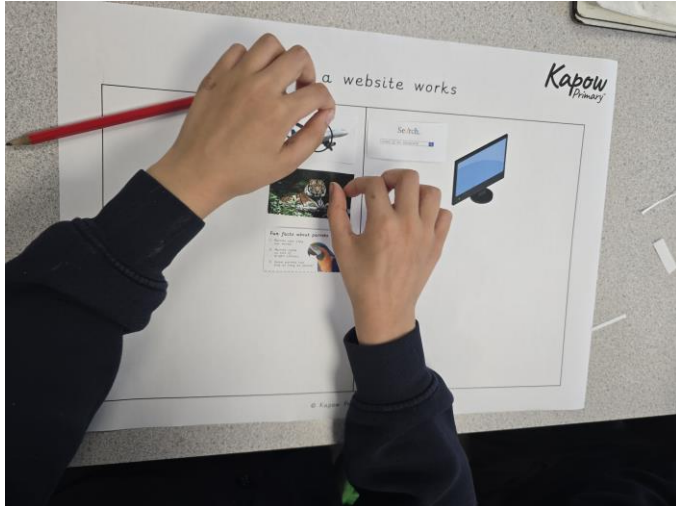

This week, our writers of the week are:

Teddy & Abigail

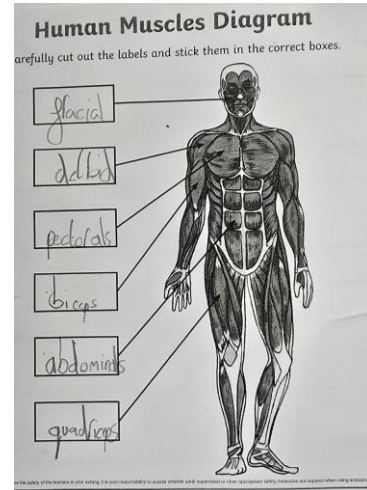

- for writing some great folk tales based on the Baba Yaga!

Year 3 News

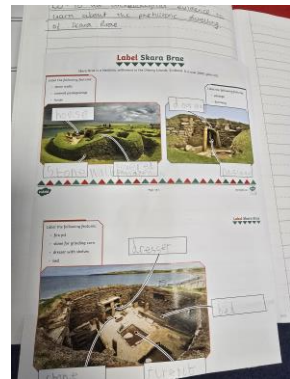

This week in Science, we have been learning about our muscles. We learned that we have 2 main types of muscles, voluntary ones that we choose to move and involuntary ones that work on their own. We then labelled some of the muscles in the body.

In Computing this week, we were learning about how websites work. We learned how a search engine is used - it sends a request to a server and then the related results are then sent back to our computers.

In History this week, we have been learning about the Stone Age settlement of Skara Brae. We learned what was discovered at the settlement in Scotland and what this told us about what life was like for people in the Stone Age.

In English, we have finished our work on narratives and started a new unit of work on instructions. Our text this unit is called – 'How to make a healthy fruit salad. '

We have also, this week, been working on our Y3 class display based around our mascot which a flame named Sparky.

This week's start is Eve! For showing super perseverance this half term even with a broken arm!

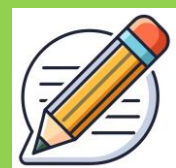

Writers of the week:

This week, our writers of the week are:

Imogen & Joe

- For excellent work on presentation and some great writing!

Year 4 News

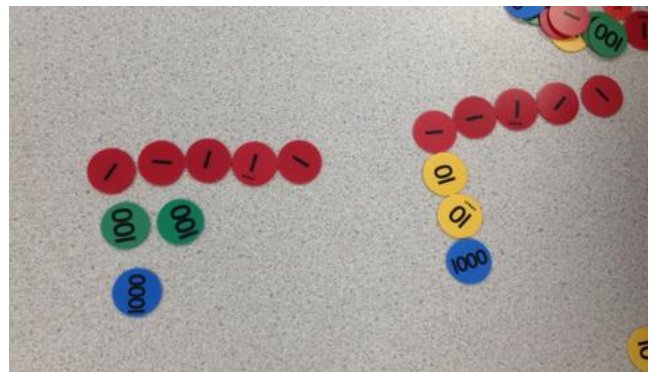

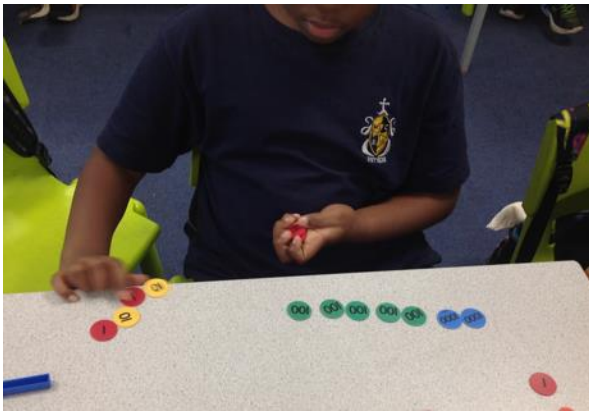

In PE, we practised our dribbling and passing skills.

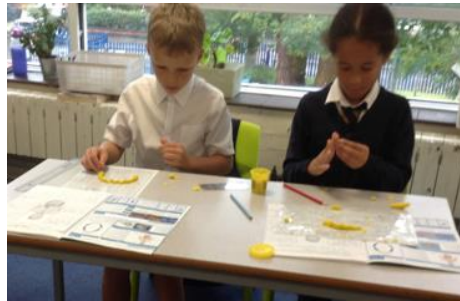

Maths

In Maths this week, we have been exploring numbers up to 10,000. We have used base ten and place value counters to represent numbers in different ways.

Science - Teeth

In Science, we have explored the appearance and function of different types of teeth by modelling these with play dough.

This week, we're celebrating Eeva for her joyful start to her Moseley journey – we're so happy you've joined us!

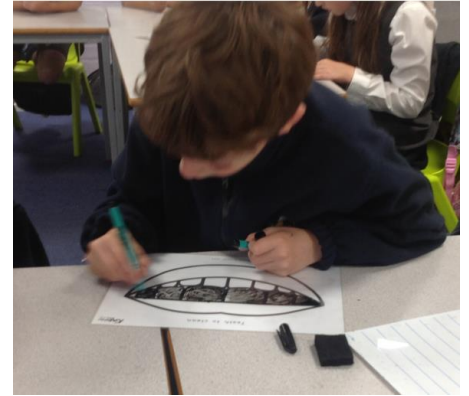

Our writers of the week are Peter and Henry for fantastic effort in writing defeat the monster stories.

Year 4 News

Science – Investigating Toothbrushes

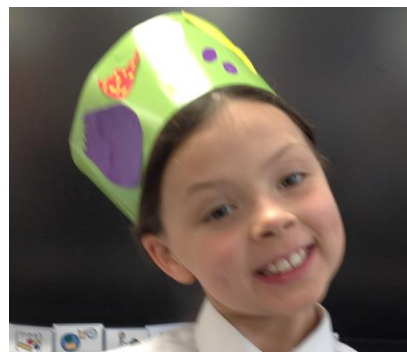

We have continued our learning about teeth by investigating the question: Does the hardness of a toothbrush affect how well it cleans?

We timed how long it took to clean pictures of teeth using soft, medium and firm toothbrushes.

Harvest Hats

In preparation for our Harvest Church Service, we have made harvest hats! Thank you to the Loughran-Smith family for giving us coloured card.

This week, we are celebrating Sophia! Sophia has been trying her best and spreading joy with her smile.

Our Writers of the Week are Chloe and Phoebe for their effort in presentation across all lessons.

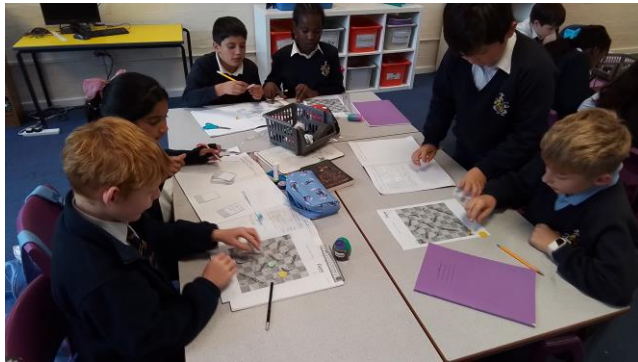

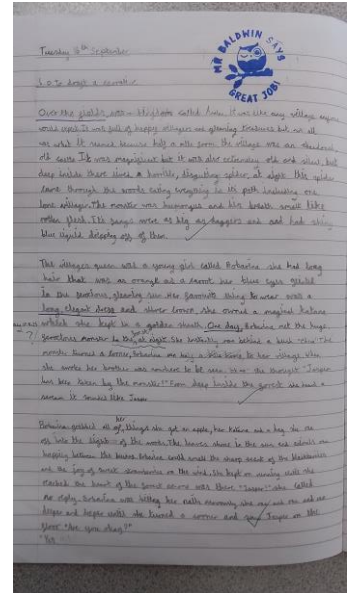

Year 5 – News from Week 3

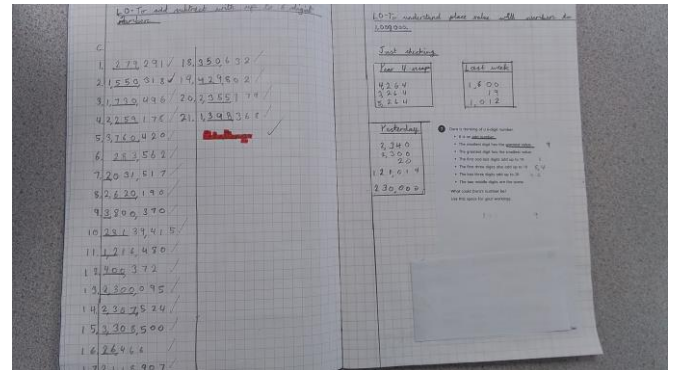

The momentum continued into the second full week in Year 5; we continued our learning in lots of exciting topics!

In English, we drafted and published our 'Defeating the Monster' narratives.

In Maths, we worked on our knowledge of place value!

In History, we made our own version of snakes and ladders and focused on the Viking trade routes

In PE, we continued to improve our football skills and scored some great goals in the process.

Star of the week was awarded to Katie for her amazing effort when writing her spine-chilling narrative.

This week's Writers of the Week are Micah and Rosie For their super use of prepositions and adverbials in their setting descriptions!

Year 6 News

In Computing this week, Year 6 were learning about Brute Force Hacking. They used Scratch to write a program that would be able to work out a 4 digit combination code.

In English, Year 6 have been writing character descriptions. They were thinking about the way their character looks, moves, feels and behaves in the short animation they watched.

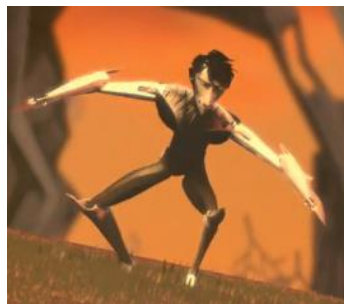

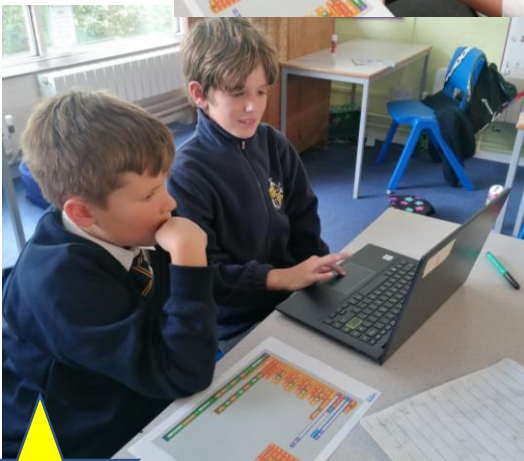

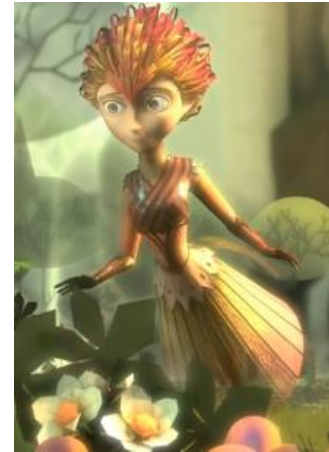

Paper

Gliding through the forest, as if she were dancing, came Paper. Her curious, brown eyes gently admire every flower in her path. Her short, crimson hair and pale face tell you that she has a kind soul and warm heart. Paper's gentle, dainty hover makes her look vulnerable but when Rock comes thundering down and tries to pull her away she stands strong and does not go until she knows what is wrong.

Despite her weak appearance when she faced off Scissors she had bubbling hot anger that she had never felt before. Paper was swept aside with ease, she fell down and everything went black. A dark, soul crushing black. She was no more than a crumbling piece of paper.

When Paper woke up she was not where she was before, and she was healed! Paper's bones filled with shock. What had happened? Then she saw a path of rocks with a familiar face at the end, it was Rock's!

Scissors

A lone figure strode through the forest, toes galling to his left and right. The figure was slim and tall, but he emanated power and control. He strode with arrogance, crushing the nature around him. His sharp, angular features complimented his pale skin. He would have been handsome if it had not been for his eyes, for staring into them would have been like staring into an empty abyss, and his mouth, which was always curved up into a cold, cruel sneer.

His heart was black, never before having to feel emotions like love and happiness. Nature was a constant reminder of the feelings he had not felt, the life he never lived, so he crushed it under with every chance he got.

To him, Paper lived to make him unhappy. She stole all everything he wanted, all the nature, love and happiness in the world rolled into one kind figure. Scissors despised her, going to great extent to make her feel such. People say that everyone has a glove inside them, waiting to blossom, but for Scissors, that glove had died a long time ago.

This week our shining star is Ted for working hard to complete his tasks and then offering to help his classmates.

Our writers of the week are Alistair and Pippa for including super vocabulary and detail in their character descriptions..

MOSELEY FOOTBALL COACHING COURSE

AT: QUEENSBRIDGE SCHOOL

QUEENSBRIDGE ROAD, MOSELEY, BIRMINGHAM, B13 8QB

STARTING: FRIDAY 26TH SEPTEMBER 2025

Fridays:	Group 1: School Years Reception & Year 1.....	4.30pm-5.30pm
	Group 2: School Years 2 & 3.....	5.30pm-6.30pm
	Group 3: School Years 4, 5 & 6.....	6.30pm-7.30pm

Dear Parents,

I am pleased to inform you that, due to the huge success of our football courses over the last **25 years**, we are following up the football coaching programme for the season starting in September 2025. The course will run for approximately 12 weeks and the programme is for boys and girls aged between 4 and 12.

About our Course

- The unique practice techniques are specifically designed to work with children of all abilities, ranging from the absolute beginner to the more advanced player.
- The course is run by **F.A qualified coaches**, who are **DBS** checked, and hold an advanced premier skills qualification, they are currently working with children, enabling them to learn essential football techniques, building **CONFIDENCE**, improving **FITNESS** and providing the most important ingredient **FUN!**
- Children will be fully supervised at all times, although parents are welcome to stay and watch.
- Each child will be provided with a football for individual practice and their progress will be recorded each week.
- It is an **indoor** course held in the sports hall, therefore children may wear trainers and sportswear.
- **Ex Premier League Birmingham City, West Bromwich Albion and Fulham player Geoff Horsfield** quotes, "I've coached on these courses with the team and they are fantastic in the way they deliver their coaching sessions!"
- **Ex England World Cup star and Sky Sports pundit Paul Merson** quotes, "I have presented trophies to the children on these courses and it's great to see the smiles on their faces and sense of achievement!"

Presentation of trophies and award

- On the final week of the course, we hold a presentation, whereby **EACH CHILD WILL RECEIVE AN ENGRAVED TROPHY.**
- Children also have a chance to win many other special individual awards and trophies for various skills, including '**premier league**' and '**penalty shoot out**' competitions.
- Parents and friends are most welcome to attend the presentation and watch the children being presented with their awards, as this encourages a fantastic atmosphere.

The cost of the course is £9 per week; payment is made every 4 weeks, with the first payment of £36 due on week 1. **Please Note: With a high response expected and limited places available, bookings will be confirmed on a first come, first served basis.** *Mark Frith* (course co-ordinator)

TO RESERVE PLACES PLEASE TEXT:

QUEENSBRIDGE + CHILD'S FULL NAME + AGE + GROUP NO. (1, 2 or 3)

and receive confirmation by text to:

07827 322780
