

We hope that you have had a lovely Christmas break and wish you health and happiness for 2026.

We have lots of lovely things planned for the term 😊 Starting with our Reception trip to Cinderella at the Brindley Theatre.

As always, we will be using a range of fabulous books to hook the children into their learning. Some of these books can be found below:-

We will be learning about England and our capital city of London, before moving further afield to find out all about Antarctica. We will be looking at a range of fiction and non-fiction books. As always, we will keep you up-to-date with our learning via Google Classroom and X.

After the half term holiday, we will be finding out about warmer climates, learning about South Africa and the African Big 5. We will be making links with our partner school in South Africa and learning about how different places around the world have many similarities as well as differences. Please see our Learning Overview for more details.

Just a reminder that our P.E day has now moved to Tuesday.

We look forward to working with you all, many thanks for your continued support.

The Reception Team
