Message from Mrs. Holland

The weeks are starting to go by quickly as routines are established. This week, children have been involved in a logo competition for a new initiative called Proud to be Blacon. All schools in Blacon are involved and the initiative aims to improve our community with the help of our youngsters over the next ten years. The children had some very interesting ideas about what Blacon would look like then! Can I please remind everyone about allergy awareness. I would very much appreciate it if you could remind your child that they must not share snacks or food. We will be giving the same message in school. Have a lovely weekend, Mrs Holland

Spotlight on... Year 4!

Year 4's had a very exciting science lesson. We had to guess which chocolate would melt the quickest. We put white, milk and dark chocolate in warm water and timed how long it took to melt.
Everyone really enjoyed it and was very excited to see which one melted first.
