## Message from Mrs Smart...

We hope you have had a wonderful half term and enjoyed the break!

We would like to **congratulate our Year 6** on their SATS assessments. The children worked hard throughout and showed determination and focus. We are very proud of them. We have to remember that SATS results do not reflect the children's talents, their kindness, their ability in all subjects, sporting achievements and so on... - SATS are only a tiny glimpse of who they are – they are all very special.

Our Year 1 children will begin to take their **Phonics Screen assessment over the next week**. They have been working incredibly hard in school receiving their daily phonics lessons. One of our link school teachers observed some fantastic lessons last term in school. The scheme Read, Write, Inc is receiving positive feedback and results are improving for our children. Well done to our EYFS and KS1 team and all those involved!

**Theme weeks** continue to be a huge success in school. We celebrated – '**Victorious Voyagers Week**' in the last week of half term where the children throughout school learnt about the Victorious values.
