Adswood Primary School

Newsletter

November 2026

Dear Parents/Carers,

Welcome back! How time flies! The countdown to Christmas begins!

Lots of exciting days ahead for our children in school.

Our website explains our curriculum in more detail and includes learning for each year group. Please take a look. Our new **Silk and Stone Curriculum** is unique to Adswood and has already been received well by all our staff and children. Written by Sarah Gee, the curriculum explores Stockport over time and how Stockport has shaped the future for our children. We will be sending out a video over the coming weeks to explain how children's learning is taught across school and the importance of our Stockport heritage.

Ask your child about their new theme – how can you support their learning at home?

Green Day for Khia - Thank you to all who donated on the last day of half term for the Mc Donald House who have provided support for Khia's family on his road to recovery. Khias mum is always touched by our donations and well wishes.

Our Halloween Disco - The children had a wonderful time at the disco! We will be hosting a Valentines Disco for the juniors in the New Year. Thank you for supporting the school.

Enjoy, Believe, Achieve Awards

We are now 6 years into our EBA awards with some children already receiving stickers for their work towards an award. Our work has been celebrated in the Local Authority for being a leading primary school introducing a life skills curriculum that is unique to Adswood.

Subject Leaders in our school

We have staff who lead a subject in school and work with other staff to ensure our children receive the best possible education in that subject through their primary years. If you wish to know any more about our subject's please take a look at our website where you will see detailed information about how we teach these subjects in our school.

The table below is our subject leads –

Each class team will continue to send out a class blog to inform you of the learning that will take place in your child's classroom in addition to any further key information that you may need.

Please do not hesitate to come into school if you have any questions or queries.

Here's to a fantastic half term!

Thank you for your continued support.

M Smart and the Adswood Team.
