Section 2 (To be completed by your nominated clergy/Church officer)

We have received an application for admission to Ainsdale St. John's C.E. Primary School from the above named family. Your church has been given as their regular place of worship.

For the purposes of applying the criteria objectively, 'regular worship' is defined as 'one parent attending church services, Messy Church or The Event worship twice a month for six months in the year prior to the deadline specified on the Supplementary Information Form. Attendance must be in person; online worship and private prayers in the church building do not meet the requirement'.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

Please complete the reference below in discussion with the parents/carers, who will then ensure it is returned to school **no later than 22nd January 2027**.

Thank you for your help and co-operation.

Does the family's attendance at your Church meet the definition of 'regular worship' as outlined above? Yes ..... No .....
