At Ravenbank Primary School, we believe that PE and sport play an important role in achieving our school vision: *Working Together to Achieve Success*. PE continues to be a popular and valued subject, with children showing great enthusiasm, enjoyment and success in a wide range of physical activities. We are proud of our inclusive approach, ensuring that children have the opportunity to participate, develop their skills and build a lifelong love of sport.

Physical activity also plays an important role in supporting pupils' wellbeing and learning. Our daily *Sensory Circuits* help children with additional needs to regulate, focus and prepare for the school day, highlighting the wider benefits of PE across our school community.

Throughout 2025–2026, our PE and Sport Premium funding has been used to further enhance our provision, increase participation and provide exciting sporting opportunities for all pupils. Through extracurricular clubs, competitions, Sports Week and partnerships with local clubs and coaches, we continue to encourage children to stay active, try new sports and develop confidence, teamwork and resilience.

We are incredibly proud to have **achieved the School Games Platinum Award once again in 2025–2026**, continuing our fantastic record of success since 2019. Alongside this achievement, our pupils have continued to represent Ravenbank brilliantly in local, district and county competitions, demonstrating excellent sportsmanship and determination.

We remain committed to building on these successes, making the most of our PE and Sport Premium funding to ensure that all children have the opportunity to be active, enjoy sport and achieve their personal best.

EXTRA CURRICULAR SPORTING CLUBS

Please refer to the School Club Matrix for our current club provision. Throughout 2025–2026, Ravenbank has offered a range of extra-curricular sporting clubs, including tennis, football, dance, gymnastics and multi-sports, providing children with opportunities to stay active, develop new skills and enjoy sport beyond the school day.
