## Getting into the Christmas Spirit

This morning, our Year 6 pupils ran their very own boutique shopping experience named 'Elfridges'. This is a unique opportunity for the children to donate an unwanted gift but then buy a new one as a gift for a loved one. The classes all visit 'Elfridges' throughout the morning and then 'Santa's little helpers' (Y6) all help to wrap the gifts and label them to be placed underneath the tree. Thank you all for your kind donations to the cause, either in terms of a gift or financial as all of the funds raised go towards buying vital equipment or experiences for our pupils.

## Social Media Workshop

As previously mentioned, on Tuesday 20<sup>th</sup> January at 2:30pm – we will be holding a social media session for any parents interested in how social media can affect your child, how to support your child with safer usage and any top tips in relation to safe access to social media in action.

Any parents who are interested in this, please look on School Spider over the holidays and respond to the message to express interest and commitment to the event. This will help us to plan the room we need and how best to target the workshop. There will be some interactive aspects to that we hope will help to advise and support you to best support your children, particularly if they are likely to receive technology or devices for Christmas.

# A Message from the Headteacher

Dear Parents and Carers

Our penultimate week before Christmas has seen our first nativity concert and the school Christmas Fair. Alongside the preparation and excitement, we have also still been learning lots and Mrs Reyes and Mrs Thornton have been enjoying watching every class in school do Maths. Let's see what else everyone has been doing.

This week, Nursery children have been perfecting their Nativity. They have been looking at numbers which appear in a book called 'Father Christmas needs a wee'.

In Reception, pupils have been learning about 'Stickman' – another Julia Donaldson book. They have made play-do stickmen and have written letters to stickman. They have played a skittles counting game. The children have also enjoyed performing in their own nativity.

In Year 1, children looked at 3D shapes in Maths, recognised, named and sorted them according to their properties. They have made their seasonal themed calendars and have finished practising for their Christmas sing-a-long.

In Year 2, children are very excited to perform their nativity next week to their parents..

Year 3 children have been looking at their 3 times and 4 times tables. They have also thought about multiples of 3's and 4's to help them with quick counting of this. In English, they have been writing facts about foxes.

Year 4 pupils have been learning how Greece is different to Stockport. In English lessons, they have been writing letters to the Wicked Witch.

Year 5 children have done lots of work on fractions. In English, they have written adventure stories based on King Kong and in History they have been learning about modern day slavery.

Year 6 pupils have been dividing fractions in Maths and have started their new topic on measurements. They have also started to write their flashback narratives too.

No assemblies this week as our final rehearsals have been taking place. Ask your child about the assemblies they have enjoyed hearing this year. I have already had requests from children for stories in the new year so watch this space!

Have a great weekend everyone.

Mrs. Reyes

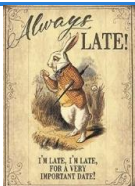

Boo the Badger

Each week, Boo visits a class in the infants and juniors who have good attendance, good attitudes to learning and who demonstrate the positive attributes that make us each a 'Woodie'.

**Boo has had a busy term and so has decided to have a well-earned rest until 2026.**

His message though is **'Miss school, Miss out'** – We love having you here and so does Boo!

## Upcoming Diary Dates

**Thursday 18<sup>th</sup> December – Christmas Dinner Day – Whole School**  
**Friday 19<sup>th</sup> December – Last day of term - School Closes for Christmas Holiday**  
**January 5<sup>th</sup> 2026 – School opens – Spring Term**

**Further detailed information will be sent via School Spider nearer to the time of each event.**
