**13th February 2026**

Our Christian Value this half term was:

## Wisdom

This term, our children have been exploring the Christian value of **wisdom**—learning that it is much more than simply gaining knowledge. We have talked about how Jesus showed wisdom in the way he treated others—with kindness, fairness, and compassion—and how the book of James reminds us that "*the wisdom that comes from heaven is pure, peace-loving, considerate and full of mercy*" **James 3:17**. By practising wisdom together, we hope our pupils grow not only in learning, but in character, confidence, and care for one another.

This week, we welcomed some of the **Burnley FC Women's Football Team** into school—and they even brought a camera crew with them! It was a brilliant experience for everyone. We enjoyed a whole-school assembly where the children had the chance to ask questions and learn more about women's football, the players' journeys, and what it takes to be part of a professional team. As always, we are **extremely proud of our children**. A member of the team's staff sent a message to Mrs Leyland saying:

*"Everyone commented on how wonderful, polite and engaged your children were, so a huge thank you goes to everyone at Hapton Primary School."*

Amazing feedback and so well deserved!

## Lateness

We have noticed an increasing amount of children who are arriving after 8:45am daily. Whilst we understand traffic and other pressures may make it hard for children to arrive on time, we are also mindful that these children are missing essential learning time in particular phonics and SPAG.

Please work with us to get your children to school on time every day.

Thank you

**Well done to all the children who took part in Athletics Club this week!**

The children did so well, showing great effort, determination, and teamwork.

We are, once again, **so proud of every single one of them!**
