Our Christian Value this half term:

Love

This week, we have been focusing on the Christian value of **Love**—a value at the heart of our school community. Love is shown here every day in the way we care for one another, celebrate each other's successes, and offer support when someone needs a helping hand.

Through assemblies, classroom reflections, and daily interactions, children have been exploring what it means to "love your neighbour as yourself." They've been practising kindness in their words, showing patience in their actions, and looking for small ways to make a big difference to others.

Reminders!

We have noticed an increasing amount of children who are arriving after 8:45am daily. Whilst we understand traffic and other pressures may make it hard for children to arrive on time, we are also mindful that these children are missing essential learning time in particular phonics and SPAG. Please work with us to get your children to school on time everyday. Thank you

From now on, certificates will be awarded during our Friday assembly, celebrating achievements from the previous week. To help you share in the excitement, we will send a message every Monday if your child will be receiving a certificate in that Friday's assembly. We hope this small change will make our celebrations even more positive and meaningful, giving the children a special moment each week to feel proud of everything they accomplish. Thank you, as always, for your kindness, support, and the wonderful encouragement you give your children every day. It truly means so much to us.

That's a wrap! We hope you have a lovely weekend!
