Our Christian Value this half term:

Love

This week, the children have beautifully demonstrated the Christian value of *love* in their words, actions, and attitudes. Across school, pupils have been looking out for one another—offering helping hands and friendly smiles to brighten someone's day. In classrooms, children have shown patience and understanding during group activities, supporting their friends who may have needed encouragement.

On the playground, many pupils have gone out of their way to include others in games, making sure no one felt left out. We've also seen love expressed through generosity and respect—sharing resources, taking turns, and showing kindness towards both peers and adults.

To remind us of the importance of this value, we reflected on the Bible verse:

"Love one another as I have loved you." - John 13:34

This verse helps us remember that love is something we show through compassion, friendship, and care. We are incredibly proud of how our children continue to live out this important Christian value each day.

Reminders!

Over the last week, we have noticed an increasing amount of children who are arriving after 8:45am daily. Whilst we understand traffic and other pressures may make it hard for children to arrive on time, we are also mindful that these children are missing essential learning time in particular phonics and SPAG. Please work with us to get your children to school on time everyday. Thank you.

We hope you have a lovely weekend!
