Our Christian Value this half term:
Thankfulness

Thank you for supporting our Harvest Festival and for your generous donations of food and other items. Your kindness and generosity will make a real difference to those in our local community who need it most.

We are incredibly grateful for the support shown by our families. Donations like these help us teach our children the importance of caring for others and demonstrate the wonderful community spirit that makes our school so special.

Thank you once again for your continued support.

The children did an amazing job over at St Margaret's yesterday, the beautiful singing, thoughtful Bible readings and heartfelt prayers were a wonderful way to give thanks to God for all that we have. The children demonstrated confidence, respect and reverence throughout the service, making it a truly special occasion for everyone who attended.

Dates for the diary!

All Welcome.

Refreshments will be served!

School Photographs!

On Wednesday 18th November, Tempest Photography will be coming into school to take the children's photographs.

Parents who would like their children to have photographs taken with siblings who do not attend Hapton should bring all children to the school office at 8.15am. All other children will have their photographs taken individually and with their siblings in school, once they have been registered.

These photographs make wonderful presents!

A reminder about the artwork forms that were sent home for the 'School Christmas Project'. You do not have to take part in this project, but if you would like to, please take a moment to read the instructions carefully. We ask that you return the completed form to school by **Wednesday 14th October 2026**, as they will be sent off to the company on **20th October 2026**.

You will also find our food bank at the top of the stairs in the entrance. This is here for all families — please don't hesitate to use it. As a school, we believe in sharing and supporting each other, and there is absolutely no shame in reaching out. Families are welcome to choose up to 6 items each week, or speak to us at the hatch if you need anything more.
