Our Christian Value this half term:

Peace

Christian Value: Peace

This half term, we are learning about Peace.
Peace is feeling calm, safe, and kind, even when things do not go exactly as we planned.
We encourage the children to be peacemakers by using kind words, sharing with others, taking turns, and helping to solve problems calmly.
Small acts of kindness can make a big difference and help everyone feel happy and included.
At home, you could talk together about ways to bring peace to your family, such as helping each other, listening carefully, and saying sorry when needed.
"Blessed are the peacemakers, for they will be called children of God."
Matthew 5:9
Together, let's help our children grow in peace and spread kindness wherever they go. 🌟

PE Kit Reminder

Over the last few weeks, we have noticed that some children are arriving at school wearing PE shorts that are much shorter than our school PE kit expectations.

We would like to remind parents and carers that children should wear the correct PE kit on their allocated PE days. PE clothing should be practical, comfortable and appropriate for school activities, helping children to participate safely and confidently.

When purchasing PE shorts, please ensure they are of a suitable length for school and allow children to take part in all activities comfortably. If you are unsure about the school's PE kit requirements, please contact the school office for guidance.

Thank you for your support in helping us maintain high standards and ensuring all children are dressed appropriately for PE lessons.

Our spare uniform shop is open to everyone — please feel free to take what you need, whenever you need it. We would also be very grateful for any donations of good-quality uniform to help support other families.

You will also find our food bank at the top of the stairs in the entrance. This is here for all families — please don't hesitate to use it. As a school, we believe in sharing and supporting each other, and there is absolutely no shame in reaching out. Families are welcome to choose up to 6 items each week, or speak to us at the hatch if you need anything more. Brown bags are available to take items home, and if these can be reused, we would really appreciate it.

Thank you for being such a supportive and caring community. 💛
