

# Time for Road Safety

Welcome to the parents newsletter from the LRSP Education Team.

## Term 1 Parents

### Travelling to school

Every day over 57000 primary aged children travel to school within Lincolnshire.

We all have a role to play in making sure all journeys are as safe as they can be

### Support the SCP service

If you have a School Crossing Patrol working near to your school, make sure you use them if you have to cross the road on your journey.

### **LRSP Education Team**

Lincolnshire Road Safety Partnership have a team of Road Safety Officers who provide road safety education to schools.

Look out for your next newsletter in Term 2

Over the coming year we will be providing you with a termly newsletter highlighting one aspect of road safety.

The first is about improving safety on the journey to and from school.....

As a parent/carer you have the opportunity to influence your child's understanding of road safety.

Enclosed is an activity sheet to use with your child on your journey to or from school. It would be great if you could discuss what you see on your journey, and how this relates to road safety.

If you have any questions or concerns contact 01522 805800
