[If you allow Tax Free Childcare or Universal Credit Childcare to claim back some of the costs, explain how this works in your setting here]

Parents can use Tax Free Child Care to pay for any self-funded nursery sessions (not snack or lunches), including the extra 30 minute charge if attending for a fully funded full day with 30 minutes extension. Parents transfer the funds from their account to the school. Once funds have been received, their account is credited to pay for sessions taken.

Families can also book their child into the school wrap-around care which opens 7:30am – 8:45am and 3:15 – 6pm (4:45pm on a Friday) for additional cost and can also pay for these wrap around sessions using their Tax Free Childcare account.
