

White Rose Maths Hub: 1Minute Maths

PARENT GUIDE

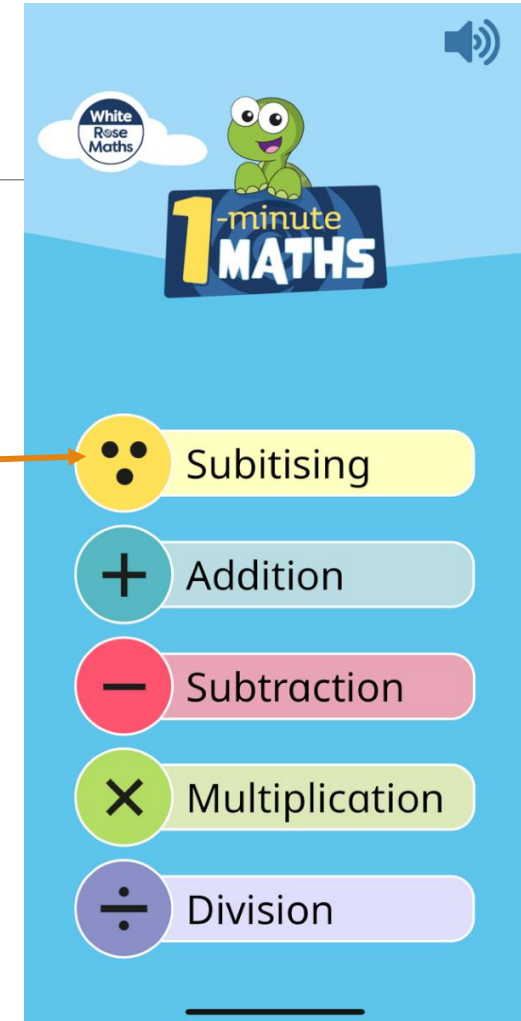

White Rose Maths Hub – 1 Minute Maths

- We would like parents to download the White Rose Maths Hub: 1 Minute Maths app.
- This is available for free from Apple App Store, Android App Store and Amazon Kindle
- The app icon is this picture
- You do not need log in details to use the app

1 Minute Maths

- Once you've downloaded the app and opened it you will come to this home page.
- To start with we would like children to practise "Subitising"
- Click on the Subitising option

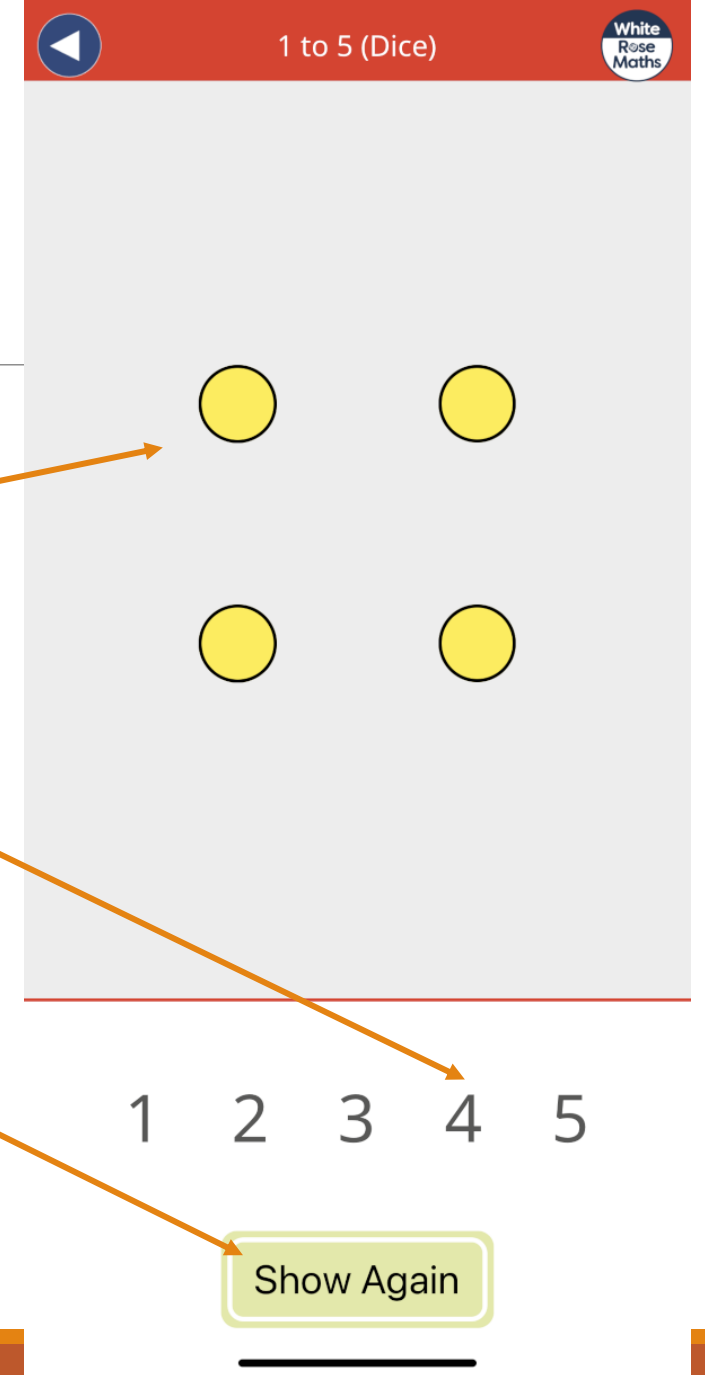

1 Minute Maths

- You'll get 10 game options to choose from.
- For each option the children get 1 minute to answer as many questions as possible.
- Click on 1: 1 to 5 (Dice) to start with.

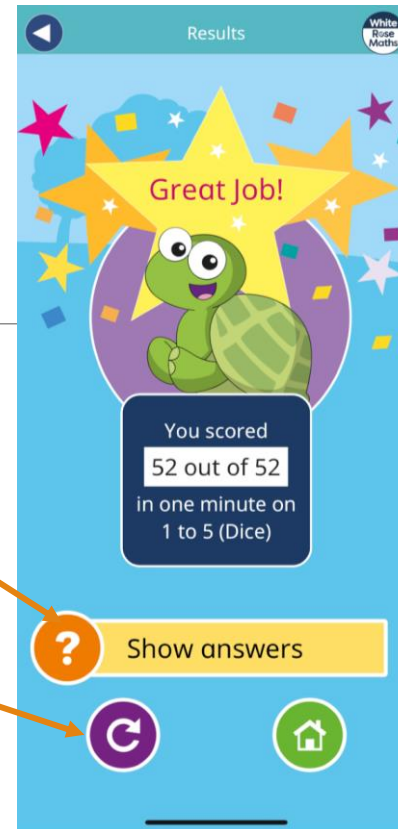

1 Minute Maths

- Questions will appear. These will be different for each game option you choose.
- On the “Subitising” option, the children need to count the dots and match it to the numerals at the bottom.
- The quicker the children are, the dots will disappear.
- If they need to see the dots again, press “show again” and they’ll reappear

1 Minute Maths

- When the 1 minute is up, the children will see their score.
- You can press “show answers” and it will show you which questions you got right and which questions you got wrong.
- You can then try again or go onto a different game.
- We encourage the children to repeat the games so that their speed and accuracy of counting objects/recognising numbers increases.

Question	Answer	Your Answer	Correct
1 to 5 (Dice)	4	4	✓
1 to 5 (Dice)	3	3	✓
1 to 5 (Dice)	5	5	✓
1 to 5 (Dice)	4	4	✓
1 to 5 (Dice)	1	1	✓
1 to 5 (Dice)	5	5	✓
1 to 5 (Dice)	2	2	✓
1 to 5 (Dice)	5	5	✓
1 to 5 (Dice)	4	4	✓
1 to 5 (Dice)	2	2	✓
1 to 5 (Dice)	5	5	✓
1 to 5 (Dice)	1	1	✓
1 to 5 (Dice)	3	3	✓
1 to 5 (Dice)	1	1	✓
1 to 5 (Dice)	2	2	✓
1 to 5 (Dice)	4	4	✓
1 to 5 (Dice)	2	2	✓
