Families are invited to join us in school on the dates highlighted in yellow!

We hope you can join us for your child's class celebration morning. During these, your child's class will perform an assembly, after which you are all invited back to class to celebrate their work with them!

More information to follow around Christmas Events

EDUCATIONAL VISITS PAYMENTS

As a school we understand financial pressures on our families and work hard to limit any financial costs passed on by the school.

School will continue to heavily subsidise educational visits, however due to rising costs we do need to ask for a £15 contribution per child towards the trips this year.

This contribution will not cover the full cost of the trips, but will support us in ensuring they can go ahead.

Without these we cannot book the trips below:

Reception/KS1—Oak, Chestnut, Birch and Beech: Imagine That Science Museum

LKS2—Willow, Aspen: Norton Priory Victorian Christmas

UKS2—Sycamore, Maple and Larch: Jordell Bank

Payments are now required urgently. They can be paid via School Money or by ringing the office. Unfortunately, due to a lack of contributions we have already lost dates that were being held and now have limited time to book future dates.

PARENTS'/CARERS' EVENING

Monday 10th and Wednesday 12th November

Bookings are open on the School Spider App. It is vital that all parents attend in order to find out how your child is doing in school and how to support their learning at home.

Bookings can also be made directly through the school office in person or by phone.

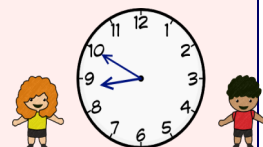

Don't forget
parents
evening!

Learning starts at 8:50am Everyday! (Gates open at 8:40am)

The fun and learning starts at 8:50am prompt everyday!

It makes an enormous difference to our children to be in their classrooms and ready to learn at this time. To support this, school gates will open at 8:40am.

For our Nursery children, their school day starts at 8:30am prompt via the Early Years entrance at the front of the school.

SCHOOL COMMS

We know lines of communication between home and school are essential, which is why we have several ways of supporting this. Don't forget, the Leadership and Pastoral Team are always available on the playground every morning too!

Please always remember that if you have an urgent message then phoning or coming to the school office in person are always the preferred option. Please ensure we always have your latest phone number and if possible email address.

Our Phone App is available through School Spider (please contact the school office for details of how to download this app). The app provides latest messages from school as well as allowing you to contact us, sign your child up for clubs, inform us of an absence, easily access holiday dates and much more. An essential, easy to use communication app.
