

You encourage and support each other

You agree what you play, together

You are kind to each other

You say nice things to each other

You help each other sort out problems

You help each other when one is upset

You stand up for one another

You are respectful of opinions

You find a way to make up

You build each other up

Boss people around at playtime

Take sides

Boast about things or tell lies

Say unkind comments, tease you or make fun of you

Play too roughly, yell or hurt you

Spread rumours

Make others do things they don't want to
