

2025 - 2026 Results

We are proud to share our latest academic results, which demonstrate exceptional achievement across all stages. Our children have once again outperformed national averages and consistently placed among the highest-performing in the borough. Our outstanding progress highlights the high standards of teaching and supportive learning environment provided every step of the way. It reflects the dedication of our whole school community in nurturing every child's potential from their very first day with us.
