Companion Projects

Using historical models to explore people's significance. Local historically significant person (Isambard Kingdom Brunel); historical vocabulary; chronology and timelines; historically significant artists, activists, explorers, monarchs and scientists; facts and opinions; memorials; significant people – Christopher Columbus, Emmeline Pankhurst, Neil Armstrong, Rosa Parks.

'Portraits and Poses' - Portraiture; studying royal portraits and the reasoning behind different poses. Sketching; following instructions to sketch a face step by step, sketch King Charles's face.

Mix It - Colour theory; colour wheel; primary and secondary colours. This project teaches children about basic colour theory by studying the colour wheel and colour mixing. It includes an exploration of primary and secondary colours and how artists use colour in their artwork.

Embark on an enriching learning journey as pupils explore the four countries of the United Kingdom—England, Scotland, Wales, and Northern Ireland. Through the use of atlases, we will investigate their capitals, surrounding seas, and key physical and human features, fostering geographic literacy and awareness.

Uses of Materials - This project teaches children about the uses of everyday materials and how materials' properties make them suitable or unsuitable for specific purposes. They begin to explore how materials can be changed.

Machines and mechanisms; sliders, levers and linkages; designing and making greetings cards with moving parts.
