Projects

Maps, globes and atlases - the children will explore different means of identifying the world's seas and oceans. Human and physical features - the children will explore their local area, identifying the different features, using accurate locational language. Compass directions - learning about the four main compass points and starting to use a simple compass to navigate. Physical processes – the children will explore the effects of erosion on our coastline, focusing on the 2014 storm and the damage to the Dawlish train track.

Jobs in the past - The children will learn about typical seaside jobs, focusing on the jobs people would have carried out in Teignmouth. The children will compare Teignmouth now to the 1960s and debate whether Teignmouth has changed for the better or not.

Still Life - Still life; colour study; compositions.

This project teaches children about the work of significant still life artists and still life techniques. They explore a wide variety of still life and learn about the use of colour and composition. They create still life arrangements and artwork.

'Cut, Stitch and Join' - Everyday fabric products; significant designer – Cath Kidston; sewing patterns; running stitch; adding embellishments; designing and making a bag tag.
