"The standard you walk past - is the standard you accept"

"We are what we repeatedly do. Excellence, then, is not an act, but a habit!"

Dear Families

TRIUMPHANT! Brookhurst Football Team Winners of The Corgi Cup Final 2026

We are all delighted by this fantastic achievement. The ambition, teamwork and superb skills of our Football Team was so evident throughout this tournament and their hard work has paid off. Well done. Thank you to Mr Eborall and a very supportive team of Year 6 families. The cheers and encouragement from the side line was great!

Brookhurst PTA AGM: As we are all aware, we have had a wonderful PTA committee over the past three years, who have given of their time and created many magic moments for our school. Some of the main officers of the committee are stepping down and it is time for a new committee to be elected. Please do come along to the PTA AGM after school on **Wednesday 30 September at 3:30pm.** Here we will thank our retiring officers and hopefully welcome our new officers!

"World Mental Health Day - Friday 9 October – Non-Uniform Day: We can be wearing yellow or something that makes you 'HAPPY' this World Mental Health Day and raising vital funds for **YoungMinds**. on **9th October for World Mental Health Day**, and donating what you can, you can show young people that they are not alone and that things can get better. "Wear it loud. Wear it proud. Because we stand brighter, together" If you can make a donation, please click on this link:

A REMINDER WE ARE A NUT FREE SCHOOL

School Attendance Matters-We aim for 100%, our target is 98%.

Little Oaks Family = 98.6%, F2 Family = 95.2%, Year 1 Family =91%, Year 2 Family = 98.7%, Year 3 Family = 99.3%, Year 4 Family = 92.4%, Year 5 Family = 96.5% , Year 6 Family = 91.9%. Overall school attendance = 95.2%. Well done to Little Oaks, Years 2 and 3.

REMEMBER #EVERYDAYCOUNTS

'Magic Moments'

Little Oaks Family- We have had a very cheeky mouse in Little Oaks this week whilst we have been learning our new focus rhyme of Hickory Dickory Dock. The mouse has been hiding in lots of different places throughout our room and we have had to spot where it is. We have been using our positional vocabulary to describe where it is - under the chair, above the picture, on the shelf, behind the pipe.

F2 Family- This week, we have been thinking about families and how we are similar and different. We realised that lots of names were common in our class and that we have lots of people in our lives that we love which connect us. We have been speaking about this being our extended family for our journey in the school and that connections are all around us. The children have loved sharing their families with the class, standing in front of the class to do this with great confidence.

Year 1 Family- In Curious Quest Professor Klunk sent our Great Big Dream Machine and video through the portal to the school office! Mrs Neild had to rush into Year 1 to bring it to us. The children have loved writing a character and setting using Colours of the Wind as our inspiration.

Year 2 Family - Our Science investigation was a real magic moment this week! The children became material detectives, testing different fabrics to investigate which would be the most suitable to make a sock for 'Izzy's Nanna's broken foot'. They stretched, compared and discussed the properties of each material before deciding that Lycra would be the most suitable, while denim would be the least suitable. It was lovely to see them sharing their ideas and justifying their choices. We have also loved learning our Great Fire of London song, so you may hear lots of "Fire! Fire everywhere!" at home!

Year 3 Family – This week, year 3 have been busy writers to complete their first 'Ready Steady Write' narrative about the discovery of aliens on a planet. They have been creative in their thoughts and descriptions, producing some wonderful pieces of writing. They have also enjoyed learning how to greet each other in French as well as how to ask and tell someone their name.

Year 4 Family – This week, Year 4 have been closely observing the changes four drinks were making to eggs over the course of a week. Three of the sugary drinks made significant changes to the eggs (acting as our teeth), but the milk made little difference - ask us why this was! We have also been busy studying a setting narrative called 'Storm Spotting' in English, working with numbers to 10,000 in Maths, learning how to dribble with a hockey stick in PE and using nets to create a structure in DT. Have a lovely weekend, everybody!

Year 5 Family – This week we have been so excited to finally visit Eureka! on a STEM careers day in partnership with Liverpool Council. Please see tapestry for photos of the day. We have had a busy week leading up to our educational visit, sketching in Art with Mrs Ainslie. We also spent time delving more into our DT

knowledge of Architecture around the world, by looking at Government Buildings of the World. A super week in the Year 5 family!

Year 6 Family – This week, Year 6 have completed a real range of engaging activities! In P.E., the class pushed themselves by taking part in a fitness circuit before completing a stamina testing run. Year 6 also enjoyed deepening their understanding of Ancient Egypt as part of our Expeditionary Learning Project. The children looked at a selection of artefacts while using historical skills to make suggestions as to what these artefacts may have been used for; who may have owned them; where they may have been found and what they tell us about Ancient Egypt. We also paid particular attention to the Ancient Egyptian timeline, noting the overlap between Ancient, the Indus Valley and the Shang Dynasty. Later in the week, Year 6 joined Year 5 on an educational visit to Eureka in order to expand their knowledge of scientific concepts and potential careers in STEM fields.

Kind regards

S Williams

Steve Williams

AND FINALLY…….

Are you thinking about Brookhurst as an option for your child?

Come and visit The Brookhurst Big Family and to see why it is a special place to be.

Please email schooloffice@brookhurst.wirral.sch.uk with any enquiries.

Dates for our walk arounds for **September 2027** starters:

Friday 9th October 2026 - 9:10am

Wednesday 14th October 2026 - 9:10am

Friday 6th November 2026 - 9:10am

To book a place on any of our walkaround sessions please email us with your name and best contact number, you can reserve up to 2 spaces.

Please note that these sessions are for parents/carers only.
