

English

In English, we are reading a book called 'The Wild Robot'.

We will be writing, diary entries, poetry, speeches and play scripts. We will also be improving our use of dictionaries and thesaurus'.

Computing

In computing, we will be finding out how to collaborate using technology. We will create our own rules on how to work well as a team and investigate different ways of working together remotely.

Maths

In Maths, we will be focusing on number - identifying the value of digits within numbers, rounding to 10 and 100. We will then begin to focus on addition and subtraction, using formal written methods.

Science

In Science, we will be finding out about sound. We will investigate how sound is created by carrying out a range of investigations. We will also find out how to change sound. Finally we will make our own musical instruments to make our own sound.

Music

In music, we will be investigating different time signatures. We will be listening to a variety of pieces of music and identifying the time signature it is written in as well as identifying patterns within the piece.

Religious Education

In R.E, we will be finding out about Hinduism. This will involve learning the story of Rama and Sita and being able to retell it.

Art

In Art we will be focusing on our drawing skills. We will create a sequence of images to tell a story using poetry.

Physical Education

In PE, we will be continuing to improve our orienteering skills. We will also be playing rounders and improving our throwing and catching skills.

PSHE

In PSHE we will be focusing on our emotions and feelings. We will also be looking at how to be more responsible and looking after ourselves and others.

Languages

In Languages, we will be starting to learn French. This will include greetings and using our very own finger puppets to help us.

What are we doing this half term in year 4?

YEAR 4 – AUTUMN 1
2023 - 2024
