

English

In English, we are reading Traction Man is Here by Mini Grey. We will learn how to write a character description and a setting description. We will write a diary entry in the role of Traction Man.

Computing

In computing, we are focusing on algorithms. The children will understand what an algorithm is and how to debug an algorithm.

Religious Education

In R.E, we will be learning about Christianity. The children will learn why Jesus is special to Christmas.

What are we doing this half term in year 1?

Maths

In Maths, we will be learning addition and subtraction (within 10). We will start by using part whole models and then the children will be introduced to + and - to write their own equations. They will learn their number bonds to 10.

History

In History, we are learning about Toys. Children will compare the toys they play with now to the toys their parents and grandparents played with.

Science

In Science, we will be focusing on everyday materials. The children will be able to identify materials and their properties. They will participate in an experiment to investigate the properties of materials.

DT

In DT, our focus is mechanisms. Children will design and create a moving vehicle. The children will understand how a wheel moves and they will create their own axle.

Music

In music, we will be listening to a range of musical styles. The children will learn how to find the beat to the music.

PSHE

In PSHE, we will be learning about relationships and friendships. They will understand what makes a good friend.

Physical Education

In PE, we will be focusing on Dance linked to Toy Story. The children will work in groups to create their own dance sequence.

YEAR 1 – AUTUMN 2
2023-2024
