

## Friday 14th November

Our girls team delivered an outstanding performance last week and won the Everton in the Community Premier League Primary Stars competition. Congratulations to you all - you should be incredibly proud of your achievement! #PLPrimaryStars @evertoninthecommunity

#### <u>6TS</u>

6TS enjoyed learning about the circulatory system in science. They used red and blue play dough to map out the veins and arteries (they must've enjoyed it as they nearly went the whole lesson without saying 6/7).

Nearly!!

## This week in 5NM...

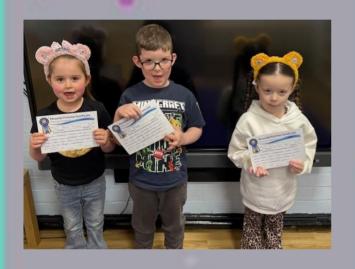

We have being continuing our learning on Tints, Tones and Shades in Art. We used our knowledge of this topic to look at landscapes using these techniques and colours matched to different parts of the paintings.

This is Ryan he's 32, full of personality, and loved so much by everyone who knows him.

Ryan has cerebral palsy, is non-verbal.

Despite everything he faces, Ryan understands so much and has so much to say - he just needs a way to express it. An Eye Gaze communication device would completely change his life, allowing him to speak using his eyes and truly connect with the people around him. This is somthing growing up that was not available.

Unfortunately, Speech and Language have confirmed that the chances of Ryan getting one funded through the NHS are very slim, so we're turning to fundraising to make it happen.

Thank you so much for your kindness, support, and for helping Ryan finally be heard.

We've had a very special visitor helping out in school today. We've all had lots of fun celebrating Children in need day. Thank you Pudsey for the visit!

# Children in Need

## Hot Chocolate with the Head of School

These children were invited to Mr Jones's hot chocolate afternoon along with a very special guest. They were nominated by teachers and parents in recognition of them going above and beyond or excelling in an area, not just academically.

## Well done to: Amelia, Jamie, Lily, Matilda, April, Theo, Clara and Tilly

If your child has done something that you feel is worthy of a hot chocolate then send in details to

d.armer@newbrighton.wirral.sch.uk

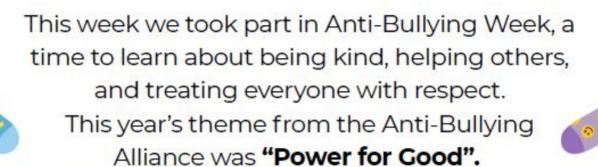

Thanks for all of the parent nominations last week, we take them all into consideration-looking forward to next week

## **Anti-Bullying Week**

This means each of us has the power to do good - to speak up, support someone who needs help, and include everyone.

### https://anti-bullyingalliance.org.uk

We started the week with Odd Socks Day, where children and staff wore bright - and mismatched - socks to show that being different is something to celebrate!

In class, we had activities and discussions about what bullying is, how to be a good friend, and what to do if someone needs help.

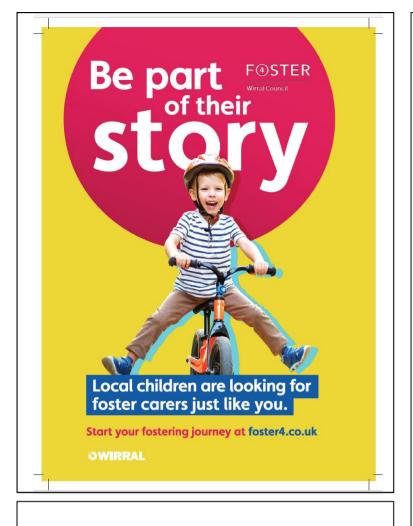

Inspired by the work we have done during Anti-Bullying week, this week's Makaton phrase is:

## We are all unique

Brought to you by children from 3CC.

3CC	25%	Total	61%

Well done to class 1RB who have the highest reading average this week and to class Hub 2 who have the most improved score. Please try to read 5 times a week with your child - the results of regular reading make such a difference to them across all subjects in the curriculum.

#### **Playground Reminder**

A gentle reminder to all families that our school playgrounds are dog-free zones at all times. This includes dogs being carried. For everyone's safety and comfort, please leave dogs at home or wait with them outside the designated areas. Thank you for helping us keep our playgrounds safe and enjoyable for all children.

#### Reporting a child's absence

Please remember to phone each day to report your child's absence. You can speak to the office staff or leave absence reasons on the answer machine. If reasons are not provided each day, an unauthorised mark will be entered on the register. Punctuality is also very important, we now have a signing in screen for late arrivers and early leavers at reception.
