Stars in Our Schools celebration day

Every year, we run a competition for our staff - they can nominate members of our support staff that we're so lucky to have in NBPS, and acknowledge the difference that they make to our school.

This year was our biggest yet! We were able to give out prizes to surprise 17 members of staff - a massive congratulations to our 2025 winners!

Attendance and Punctuality

Being on time for school is vital. Even a few minutes late can disrupt a child's start to the day and lead to lost learning.

In the first week of September, lateness across the school totalled 16 hours. This has steadily increased, and this week pupils missed 63 hours of learning due to late arrivals. This is a significant amount of time that cannot be recovered.

Please support us by ensuring your child arrives promptly each morning so they can make the most of every learning opportunity.

Thank you for
your cooperation.

The whole school have been working hard on various craft projects, so this week's Makaton phrase is:

That looks great!

Brought to you by children from 4LM.
