DO TRY THIS AT HOME

Issue #19

Featuring: Marvin and Milo

What you need: • A drinking straw - cut in half
• A balloon • A long piece of string • A clothes peg • Sticky tape

Look at my jet propelled rocket!

Blow up the balloon...

... and peg the neck to keep the air in.

Thread the straw with the string...

...and then tape it lengthways to the balloon.

Tie the string across the room.

Now unclip the peg!

As the air rushes out it pushes back on the balloon propelling it forward.

THANK YOU!

HAVE AN AMAZING SUMMER HOLIDAYS!

To everyone – thank you for all of your support.

To those that are not returning after the summer –

good luck for the future!

Goodbye, Mr Marriott!

This summer we are saying goodbye to our wonderful Site Manager, Mr Andy Marriott.

Since joining us in 2020 he has made a huge impact on the whole of our school community, loved by staff and pupils alike.

Mr Marriott has overseen so many projects during his time with us, alongside the enormous day-to-day task of keeping all elements of the school in working order.

The EYFS team in particular would like to give a special thank you for his tireless work when refurbishing the F2 classrooms during the Summer of 2021, and his continued efforts as the team have re-developed the outdoor space over the last few years. They couldn't have achieved what they have without his support and skills.

We wish Mr Marriott well as he moves on to pastures new following, we hope, a very relaxing Summer break with his family!

Fond Farewells...

This summer we say a fond farewell to Miss Chloe Cogan. After completing a very successful final training placement here, Chloe has spent the last few years teaching children across Key Stage 2. Loved by children and staff alike, she will be really missed.

We wish her well as she moves on to her new job at Higher Bebington Junior School where she will be teaching in Y6!

Miss Bryony Bell joined our school in 2024, initially supporting the admin and pastoral teams with a focus on attendance.

This year she has completed her teacher training, working as an Apprentice Teacher in Year 1. Her endless enthusiasm and hard work have been so appreciated by the Y1 team - her new school is so lucky to have her.

We wish her well as she takes up a new teaching position at The Observatory School!

Miss Danielle Norris joined our teaching team in September 2025 and has really made her mark in the short time she has been with us as a member of our Lower KS2 team. Her dedication and creativity have made her a very important part of the Y3 team - she will really be missed.

We wish her well as she heads back to Ireland and look forward to hearing of her continued success!

Miss Chloe Forshaw has been an important part of our PPA team for the last 2 years, supporting the children in all aspects of their physical and health education. Her passion for sport has had a hugely positive impact on all of our children - they have loved their PE sessions with her.

We wish her well as she moves on to pastures new and look forward to hearing of her continued success!

WE ARE PROUD

TO ANNOUNCE

WE ARE NOW A MYHAPPYMIND GOLD ACCREDITED SCHOOL

This means that, as a school, we consider the mental health and wellbeing of our children as one of our top priorities. We have created a whole-school culture that helps build our children's resilience, confidence and self-esteem, as well as teaching them how to self-regulate during stressful times.

This Accreditation badge has been awarded thanks to all the effort our **staff**, **children**, **governors** and **parents** have put in to bring the lessons of myHappyMind to life across our school.

WANT TO LEARN MORE?

To learn more about the myHappyMind for Schools programme, visit their website here:

Thank you to our amazing school community for continuing to make mental health and wellbeing a priority for all.

Ice Lolly with the Head!

Mr Mycroft-Armer

These children were invited to Mr Mycroft-Armer's ice lolly with the Head.

They were nominated by teachers and parents in recognition of them going above and beyond or excelling in an area, not just academically.

Well done to:

Lexii, Hanna, Demir, Freddie, Amelia, Eden, Marley-Jay, Lexi and James.

Some of you don't say ice lolly and say it's **lolly ice!** 😊
However you say it, it's the perfect way to keep your cool!

If your child has done something that you feel is worthy of an ice lolly then send in details to headteacher@newbrighton.wirral.sch.uk

Thanks for all of the parent nominations last week, we take them all into consideration – looking forward to next week!

THE ADVENTURES OF JOEY & CHANDLER

POSSIBLE CHALLENGES

PHYSICAL FITNESS & COORDINATION

- ★ Speed Bounce – how many jumps over a towel in 60 seconds?
- ★ Catch & Clap – toss a ball, clap as many times as you can, then catch!
- ★ The Plank – how many seconds can you hold a perfect plank?
- ★ Keepy-Uppies – how many consecutive taps can you do?

LIFE SKILLS & INDEPENDENCE

- ★ The Shoe-Tie Sprint – how quickly can you tie your own shoelaces?
- ★ Chef Challenge – make a simple recipe all by yourself!
- ★ Bedtime Blitz – tidy your room or pack your bag in under 3 minutes!
- ★ Household Chores – pick 2: folding your own laundry, making your bed, keeping your workspace tidy.

CREATIVE & ACADEMIC

- ★ Reading Endurance – how many minutes can you read without getting distracted?
- ★ Story Builder – write and illustrate a story, adding a page each week!
- ★ Origami Mastery – from paper plane to crane or frog!
- ★ Observation Diary – plant a seed and draw its growth every 7 days!

CHOOSE YOUR OWN!

Can't see a challenge you love? Choose your own!
Set yourself a goal, pick how you will measure it, and try your best to improve.
We can't wait to see what you achieve!
