

LEARNING TOGETHER TRUST

WELCOME TO LEARNING TOGETHER TRUST

A very warm welcome to our School Trust.

Learning Together Trust has a single legal and moral purpose: **to advance education for the public benefit.**

We are a family of schools, who work in partnership, to ensure that every child within each school receives the best education, rooted in Christianity, that equips them for success in the next phase of their learning and later life. Collaboration is at the heart of the Learning Together Trust. We are outward-facing, working collaboratively within our family, whilst also embracing opportunities to form partnerships outside of our School Trust.

Learning Together Trust currently has six schools, who are each unique and at different stages of their journey to excellence, all making valuable contributions towards improving and maintaining high educational standards across our School Trust. Our schools benefit from working across two different Dioceses and two different Local Authorities.

We help our local communities to thrive by giving our children an education of the highest quality, a broad range of **extra-curricular** opportunities, exciting and engaging **enrichment** provision, and unique and memorable **experiences.**

Schools in our Trust family enjoy many benefits, including: the sharing of ideas, expertise and 'best practice'; structured career pathways and professional development; and specialist support, enabling teachers and school leaders to focus on teaching and learning.

St. Wilfrid's Church of England Primary Academy is the founding school of the Learning Together Trust and has received approval from the Department for Education to sponsor and support underperforming academies.

Learning Together Trust is committed to welcoming new schools and sharing our distinctly Christian ethos and spirit of collaboration.

OUR TRUST GOVERNANCE STRUCTURE

A MESSAGE FROM OUR CHAIR

On behalf of the Board of Directors, I am delighted to welcome you to our Trust community and thank you for taking the time to learn more about Learning Together Trust.

Choosing the right school for your child is one of the most important decisions you will make as a parent or carer. It is a decision built on trust, confidence and the belief that your child will be known, valued and inspired to achieve their very best. We are proud that every school within our Trust is committed to providing an environment where children flourish, are encouraged to develop their unique talents, and are prepared with confidence for the next stage of their educational journey.

As a Church of England Multi-Academy Trust, we are united by a shared vision rooted in the Church of England's aspiration for 'Life in all its fullness' (John 10:10). This vision shapes everything we do, inspiring our schools to nurture the academic, social, spiritual and emotional development of every child. We believe that education is about far more than examination results alone; it is about helping young people discover who they are, develop strong values, build meaningful relationships and grow into compassionate, resilient and responsible citizens.

Collaboration lies at the heart of our Trust. By working in close partnership with parents, carers, our churches and the wider community, we create schools where children feel safe, supported and empowered to succeed. Our dedicated staff work tirelessly to foster a culture of high expectations, kindness and inclusion, ensuring every child is encouraged to embrace challenge, celebrate achievement and develop a lifelong love of learning.

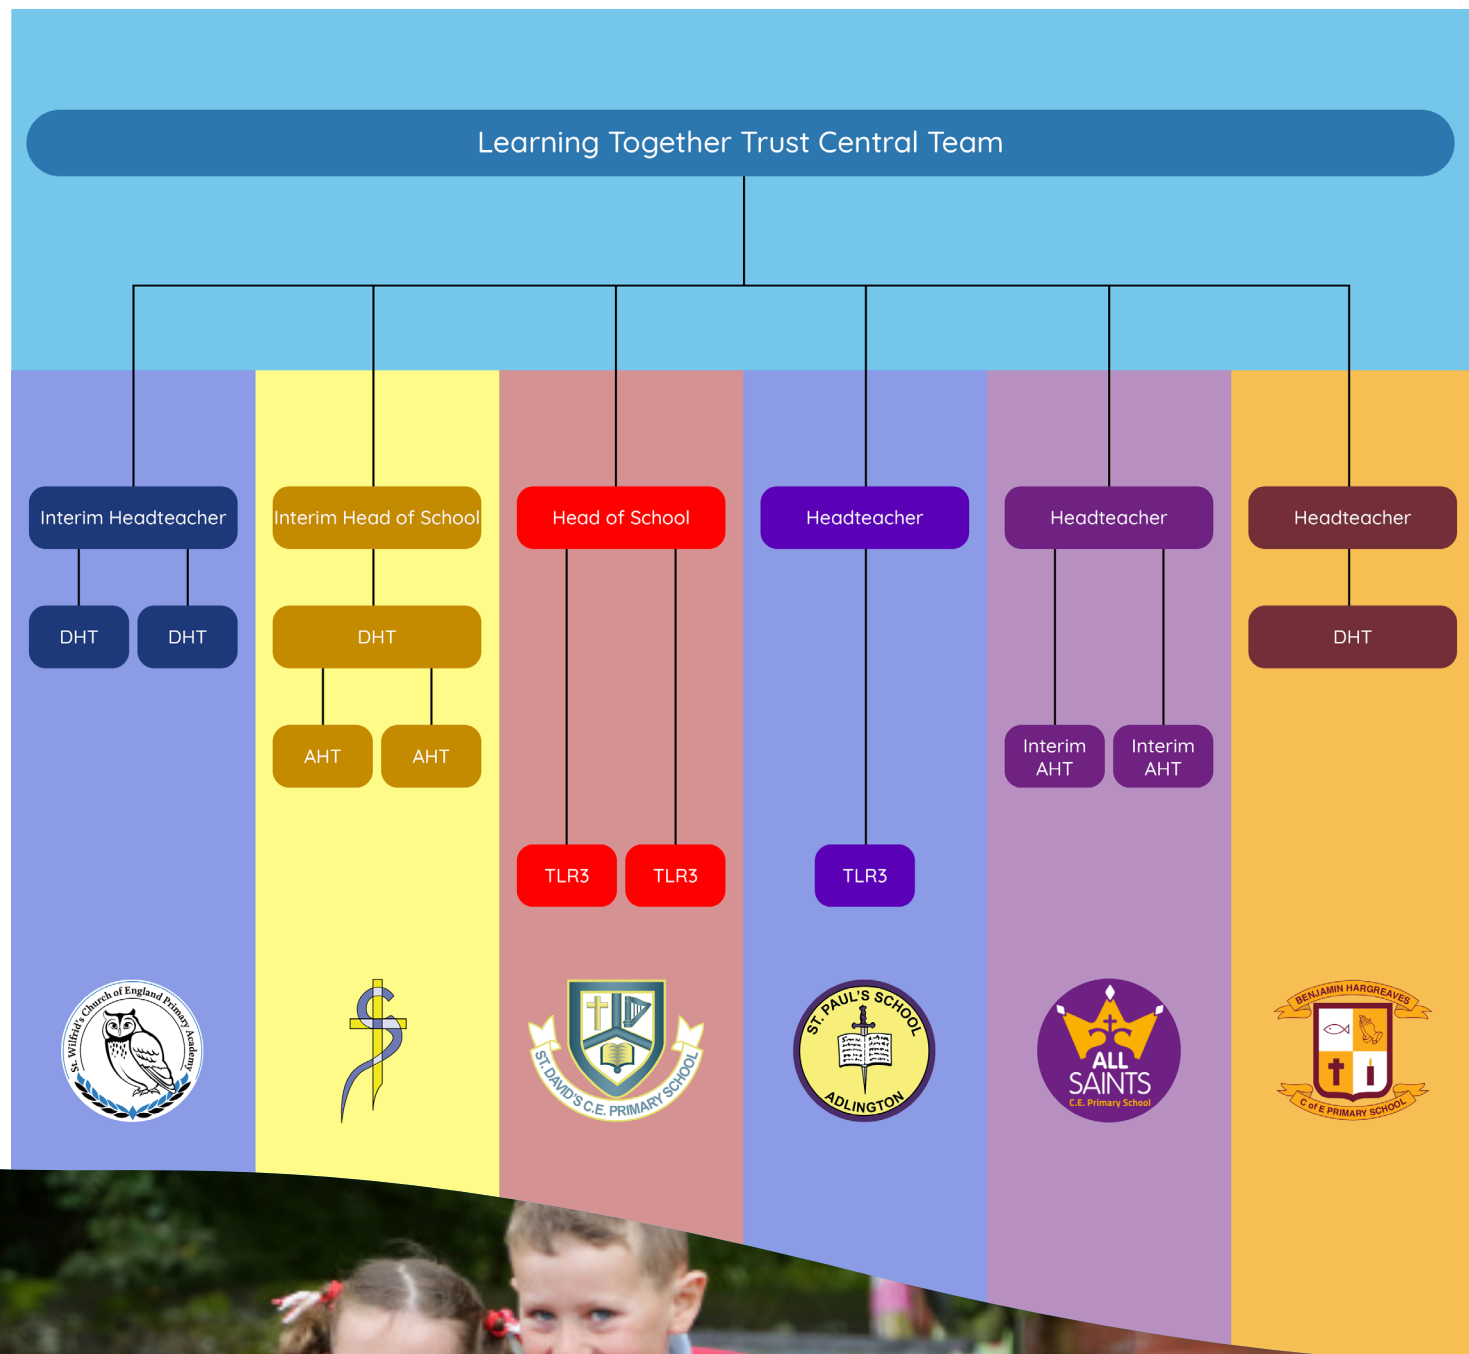

As Directors, we are committed to providing strong governance and strategic leadership, ensuring our schools remain places of excellence where every child has the opportunity to thrive. We are incredibly proud of our schools, our staff and, most importantly, our children, whose enthusiasm, curiosity and achievements inspire us every day.

Whether you are considering one of our schools for your child or simply exploring what our Trust has to offer, I hope this prospectus provides a valuable insight into our shared vision, values and ambitions. We look forward to welcoming you into our community and working together to help every child flourish and fulfil their God-given potential.
