

Key Artists		Key Vocabulary
- Artists: Raphael Sanzo, William Holman Hunt, Dante Gabriel Rossetti, John Everett Millais (Pre- Raphaelite/ Renaissance) - Artist/ designer: William Morris (Arts & Crafts) 	Art Year 5 Autumn The Victorians Pre-Raphaelites research & Renaissance art study	- Digital Media: any content—such as text, audio, video, graphics, or interactive experiences—that is created, stored, and distributed using digital technology - Collage: an art technique in which different materials—such as paper, photographs, fabric, or found objects—are glued together to create a single artwork, - Decoupage: the art of decorating an object by gluing coloured paper cutouts onto it in combination with special paint effects, gold leaf, and other decorative elements.
Knowledge		Skills
- Children will learn about the Pre-Raphaelite Brotherhood, a group of nineteenth-century artists who were inspired by the detailed, vibrant artwork of the early Renaissance. - They will analyse the use of colour, detail, composition, and symbolism in works of art. William Morris, a designer, artist and writer in the Arts and Crafts Movement, created intricate patterns for wallpapers, textiles, stained glass, and furnishings. - Children will investigate pattern through mindfulness, drawing and tracing before creating their own wallpaper digitally. - Children will learn about decoupage and use overlapping to decorate their own cups and plates.		- Begin to use knowledge about the qualities of different materials and tools to enhance and develop ideas. - Communicate ideas about artworks with an increasing grasp of visual language. - Show how the work of those studied was influential in both society and to other artists. - Mix textures (rough, smooth, plain and patterned). - Be able to cut accurately. - Use digital media to identify and research artists, craftspeople, architects and designers.
