THE TEAM BEHIND PINNER WOOD PRESS

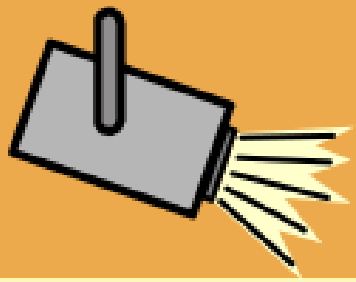

Each issue, we have a dedicated team of students who help the Pinner Wood Press to come to fruition. Amongst a busy half term, they have worked incredibly hard. We hope you enjoy.

Mr. Green

**MEET OUR
TEAM!**

**Byron, Max, Humaidh, Lala, Emilia, Viha, Hattie,
Reena, Kerrie, Laiba**

SPOTLIGHT ON YOU...

Year 6 Leavers' Favourite Memories.

As you know, this half term marks the end of our Year 6's Pinner Wood journey. To commemorate their time here, we asked them what their **favourite memory** was from their time in school. We had a whopping 78 responses.

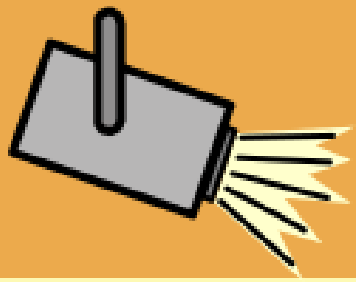

Word Cloud

Our word cloud celebrates the highlights of life at Pinner Wood, drawn from everyone's responses. The biggest words (Thorpe Park, Friends, Summer School, and Business Challenge) show the experiences that people mentioned the most.

What is your favourite memory at Pinner Wood?

Here are some individual responses from Year 6 pupils:

- In Year One when we made ice lollies and sat outside in the playground like we were actually at the beach.
- My favourite memory is fiesta day because me and my friend made corn and chicken rolls, everyone loved it. My friend also got chillies in her eye!
- One of my favourite memories is when we all gathered on the field and played a bunch of games. I also loved Tolmers because we practised rock climbing and had a water fight.
- My favourite memory was Tolmers, when we had late-night parties with snacks and music, and exhilarating activities like archery, rock climbing, and go-karting.

SPOTLIGHT ON YOU...

Year 6 Leavers' Favourite Memories.

What is your favourite memory at Pinner Wood?

Here are some more individual responses from Year 6 pupils:

- My favourite memory of PWS is our residential, as well as going to Thorpe Park. I'm also excited for the Isle of Wight, which will probably become my new favourite memory.
- Going to the Natural History Museum.
- My favourite memory is when I went on an F1 trip to Williams Racing. We got to do sim racing and see the gear of different F1 drivers.
- When we got to go swimming with Year 6 (only some of us), and also in Year 5 when we went to Tolmers for three days. Thorpe Park was so cool too – seeing all those rides and everything I've done at PWS.
- My favourite moments at Pinner Wood were making friends. I used to feel lonely, but I gathered courage with support and friendship.
- Learning, being in Head Squad, and going on trips, especially Tolmers in Year 5.
- Crime and punishment workshop.
- My favourite memory is when SATs were over. We got to have lots of fun in lessons, like Theme Park Maths, which was a really enjoyable way to learn. You could talk to your partner about the maths while still having fun.
- When we went to the Imperial War Museum and played football outside afterwards.
- When I was in Nursery and we played with the rainbow parachute, and we would go underneath it together.
- The Business Challenge, where my group made snow cones. It was really fun and enjoyable.

Year 6 Deep Dive

Written By Viha

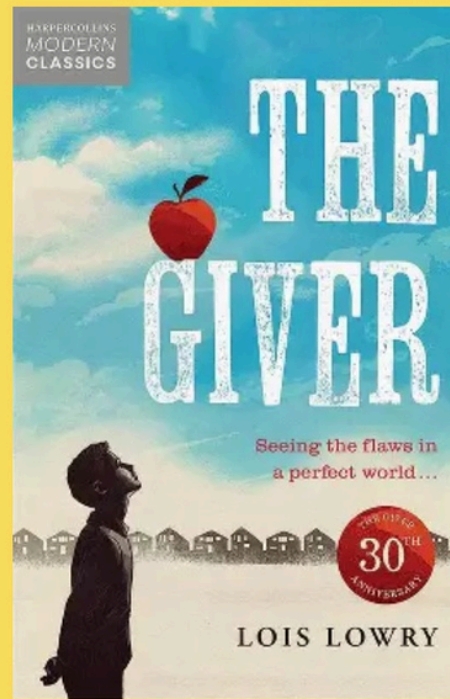

Continuing on with the Year 6 theme, Viha has delved into some of the learning that takes place in our oldest year group.

Spotlight on Year 6

Year 6 have been doing many memorable lessons before their last day here at Pinner Wood. These are some of the many things Year 6 have done.

Guided Reading:

Year 6 have been reading *The Giver*. It is about an eleven year-old boy named Jonas who lives in a seemingly perfect society; however, real emotions are nonexistent and life is dictated by strict rules.

English:

In English, Year 6 have written an innovated tale based on *The Tempest*, a well known play created by William Shakespeare. It is about a wizard who is betrayed by his brother and is banished.

Maths:

As the Year 6s were getting ready for the Business Challenge, their mathswork has been based on sums to work out funds in business.

Art:

Moving characters have been the main focus of Art this term in Year 6. They have been learning to draw people in different positions, like freeze frames.

Join the Clubs

Idrees is here to ensure that your head is not spinning over Beyblades, the latest playground phenomenon.

3... 2... 1... LET IT RIP!

Has Beyblades gone viral in your class and you do not know where to start? Well, I am going to teach you tips, tricks and much more.

Let me give you combos for school. All you have to think about is stamina and defence.

TIP 1: Go very low above the stadium so you do not bounce out of the arena.

BEYBLADES

Now, come to any Beyblade club but the best one is THE Beyblade club in the Year 5 & 6 playground.

TIP 2: You need to remember to release the Beyblade after saying "3, 2, 1, let it rip!" NOT just "3, 2, 1."

BY IDRES

The Origin of Beyblade

Beyblade began as a Japanese spinning-top toy created by Takara Tomy, and it quickly became so popular that it inspired a manga and an animated TV show. The story starts with Tyson, a determined young Blader, who learns about the exciting world of Beyblade battles in Episode 1, The Blade Raider.

The show is aimed at children 8-12, watch with your parent's permission.

Stupendous Sports Day

Written by Max

The annual Sports Day at Pinner Wood was a fantastic success, filled with energy, teamwork and smiles all round. Pupils from every year group took part in a wide range of events, from sprints and long-distance runs to beanbag throws and relay races. The atmosphere was electric as classmates cheered each other on, showing true sportsmanship and encouragement throughout the day.

Parents watched proudly as children competed in a range of exciting games, including shuttle races, hoop relays and the classic egg-and-spoon challenge. The atmosphere was wonderful — full of cheers, laughter and encouragement from every corner of the field. After the competitions, families gathered for a relaxed picnic, where everyone replenished their energy and enjoyed quality time together. It was the perfect ending to a day that celebrated teamwork, effort and school spirit.

Pinner Wood Poetry.

The Poem of the Pinner Wood

Values:

Reach for the stars,
And aim for gold,
Be proud of who you are,
Dream big and bold.
Growing as we learn,
Learning as we grow,
Take part in everything,
Even the impossible,

Treat others how you want to be treated,
Discover the new gratefully,
But always remember to be you.

Riveting Recipes

Hattie has been cooking in the kitchen. Here is her delectable air fryer chicken recipe.

Easy Air Fryer Chicken (Child-Friendly Version)

This chicken is quick, tasty and perfect for dinner!

You will need:

- Chicken breasts
- A little oil
- Spices like paprika, garlic powder, onion powder, salt and brown sugar

How to make it:

1. Cut the chicken into thin pieces so it cooks faster.
2. Mix the spices together in a small bowl.
3. Coat the chicken with the spices and a bit of oil.
4. Air fry the chicken at 200°C for about 10 minutes. Bigger pieces may need a few more minutes.
5. When the chicken reaches 75°C inside, it's ready.
6. Let it rest for a moment, then slice and enjoy! It comes out crispy on the outside and juicy on the inside — perfect for dipping, sandwiches or eating straight off the cutting board!

As you know, the World Cup has been an exciting global event. Use the bracket below to see which teams move forward and which are knocked out. Who will win it all?

Group A	Group B	Group C	Group D	Group E	Group F
Mexico	Canada	Scotland	USA	Germany	Netherlands
South Africa	Switzerland	Brazil	Turkiye	Cote d'Ivoire	Sweden
South Korea	Bosnia-Herzegovina	Haiti	Australia	Ecuador	Japan
Czechia	Qatar	Morocco	Paraguay	Curacao	Tunisia
	The Groups FIFA World Cup 2026				
Group G	Group H	Group I	Group G	Group K	Group L
Belgium	Spain	France	Argentina	Portugal	ENGLAND
Egypt	Cape Verde	Norway	Algeria	Columbia	Croatia
New Zealand	Saudi Arabia	Senegal	Austria	DR Congo	Ghana
Iran	Uruguay	Iraq	Jordan	Uzbekistan	Panama

VS.

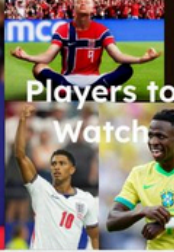

The Rivalry is Back ON
Messi has really hit the ground running in 2026 with 5 goals in the first two games, however Cristiano has scored two against Uzbekistan.

Germany 7-1 Curacao
Curacao's 21st minute leveler against 4 time champions Germany

Spain 0-0 Cape Verde
How did we go from this to this?

Players to Watch

Who's gonna win?

I think Spain gonna win!

Your Prediction: _____

Spain 20% chance
France 19% chance
Argentina 16.5% chance
England 10% chance
Brazil 9% chnce

As part of their musical deep dive, Emilia and Lala interviewed Mrs. Kraft. They also asked all year groups what instruments they enjoyed experiencing.

Deep Dive into Music!

Music in the school is a lovely opportunity.

By Emilia and Lala

We interviewed Mrs. Kraft.
What music do you like? I like all music but my favourite is "The Painter."

How many instruments do you play? I can play the piano, ukalele, big xylophones and percussion.

What do you like about teaching music? To inspire children to be enthusiastic about music.

There are lots of instrument clubs in the school, find yours!

Children called Angily, Isha, Mia, Krish and Luna like guitar.

Poppie likes ukeleles.

Kayden, Ruhei and Alisser like piano.

Nikel likes drums.

Kayden and Lina like music games.

Ruhei and Prisha like everything about instruments.

Thurka and Luna like choir:
"It is enjoyable and we have shows. We also learn new songs and it is a great opportunity."
