PSED

This half-term, the children will be learning to be more independent in nursery. For example, the children will be learning to put their own coat on and put away the toys they play with.

We will be learning about how to keep themselves healthy by talking about healthy and unhealthy food at snack time.

The children will become more confident with sharing and playing partner games.

You can borrow a book from our 'Lending Library'

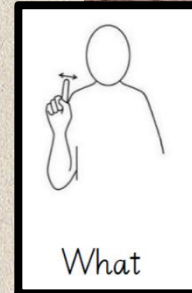

Communication and Language

We will be learning to retell the poem, 'Hide and Seek' by Matt Goodfellow.

You can listen to the poem [here](#).

We will also be focusing on asking and answering 'what' questions when reading stories.

For example, 'what is the story called?' or 'what happened to the character in the story?'

Physical Development

We will be playing games with the parachute to build our core strength to help us become better writers.

We will be learning to write our names with the name writing template.
