

A **mechanism** is a set of moving parts that allow something to move.

A **wheel** is a round part that helps things move.

An **axle** is a straight rod that joins to a turning part, like a wheel.

An **axle holder** is a part that keeps the axle in place while allowing it to turn smoothly.

Fixed axle: the wheels turn to allow it to move.

Fixed wheels: the axle turns inside the axle holder to allow it to move.

Geography - What is the weather like in the UK?

Map of the UK

Name:

Charlie Chaplin

Year 2 Term 3

Class:

A film called *The circus* was written by Charlie Chaplin.

Charlie Chaplin was a very famous actor in silent movies.
He was a very good composer.
He was born in London in 1889.

Key words

DURATION

The length of a note

short sounds
ba!

long sounds
baaaaaaaaaaaaaa...

PITCH

high notes

Style =
film sound
track

low notes

DYNAMICS

Volume

fortissimo (ff)
very loud.

forte (f)
loud.

piano (p)
soft.

pianissimo (pp) shhh
very soft.

Which instruments are:

- Pitched or unpitched?
- Make long or short sounds?
- Make loud (forte) or quiet (piano) sounds?

wak-a-tubes

maracas

ukulele

bongos

xylophone

glockenspiel

claves

wood block

tambourine

long, long, long time ago

People have always enjoyed being entertained by musical theatre.

long, long time ago

1888 the first silent film was recorded.

long, long time ago

1928 Charlie Chaplin filmed *The circus*.

long, long time ago

1944 the world's first colour television was introduced.

21st Century - present

Disney filmed *The Lion king* with real animals.

I feel confident using notes of different durations, pitch and volume when composing a soundtrack.

Add a comment:

Why does Easter matter to Christians?

Wonderful words

God: the all loving and powerful being that Christians believe created the world and everything in it

Salvation: being saved or rescued so that humans are no longer separated from God

Saviour: Jesus came to save or rescue people e.g., by showing them how to live

Resurrection: Jesus' return to life after dying

Eternal Life: the belief that through Jesus' death Christians can go to Heaven to be with God for eternity.

Secular: anything that is not connected with religion or religious worldviews

Easter: the Christian festival which remembers the resurrection of Jesus.

Worship: to praise and follow God

Good Friday: the Friday of Holy Week, the day on which Jesus was crucified.

Religious: believing in a religion

So how does it all work?

Important information

Easter is the most important celebration for Christians during the year. It is a time for them to reflect on the events in the life of Jesus from Palm through to Easter Sunday.

Christians remember how through his death and resurrection Jesus healed the rift between humanity and God caused by sin. Christians refer to Jesus as Saviour as he saved them from being away from God and brought them salvation so that when they die, they can have eternal life in heaven with God.

Easter can be celebrated in many ways, religious and secular. During Easter Week, sometimes called Holy Week, many Christians will feel a lot of different emotions, they will feel happy on Palm Sunday when Jesus rode into Jerusalem on a donkey. They may feel sad and upset on Good Friday as they remember this as the day Jesus died.

In Easter Sunday they will feel very happy as they remember the resurrection of Jesus when he defeated death and came back to life with a promise of eternal life.

Other people will focus on the secular celebration of Easter by giving Easter Eggs and looking out for the Easter Bunny. Even though this is the same time of year it can be celebrated very differently, although Christians may also give Easter Eggs but will always think about the death and resurrection of Jesus as the eggs symbolize the new life Jesus has brought as the Saviour.

Lesson Sequence

1. Describe the needs of animals for survival

2. Describe the needs of humans for survival

3. Explore the importance of eating the right food

4. Describe what a healthy, balanced diet looks like

5. Investigate the impact of exercise on our bodies

6. Investigate hygiene
