## Young Voices

Children came from across the country to form one of the largest school choirs in the world. It was a truly unforgettable experience for everyone involved.

From the moment they stepped into the arena, the children were buzzing with excitement. After weeks of practising, they sang their hearts out under the bright lights, performing alongside professional musicians, conductors, and dancers. Their enthusiasm, teamwork, and sheer joy in singing were wonderful to see.

Our pupils represented the school brilliantly—showing confidence, commitment, and fantastic behaviour throughout the day. A huge thank you goes to the staff who supported the trip and to the families who have encouraged the children along the way.

## World Book Day

This year's World Book Day takes place on **Thursday, 5<sup>th</sup> of March.**

As with previous years, we would like your children to get creative about books in the following ways:

- Come to school dressed as a genre (e.g. fairy tale, mystery, fantasy, sport, poetry, facts, cooking etc).
- Decorate a wooden spoon to make it look like a character. These will be judged on the day, (with an emphasis on it being mostly the children's own work), and the winners will receive a prize.

## Look Who's Talking

A huge well done to our school heat winners of the Look Who's Talking oracy competition. They took part in the South Costwold schools' Partnership Final yesterday and were brilliant!

## PC Leah Davies

PC Leah Davies visited Oak Class this week to talk about Internet Safety. It was an interactive session using scenarios to educate and inform pupils about the risks they may encounter whilst using the internet and importantly seeking ways to empower them to know how to deal with a problem should it arise.

PC Davies has urged Parents and Carers to spend a few minutes and watch the link below;
