

Ampney Crucis C of E Primary Newsletter #20

Date: 3rd July 2026

Value of the term: Compassion

It is going to be a busy last few weeks of the school year.

Invertebrates Visit

Willow, Chestnut and Oak classes were visited by animal management students and lecturers from Cirencester College this week. They brought with them a range of invertebrates that children could hold including a millipede, snails and stick insects!

Fresh Air Sculpture Show

Chestnut class visited the very last Fresh Air Sculpture show this week. The weather was perfect for them to explore the artworks, enjoy the gardens and take part in some hands on challenges linked to some of the sculptures.

"It was fun! I really liked the sculptures and activities. My favourite was the tipi poles."

- Finely P

"Together we live, learn and flourish."

Mud Madness

Local small schools came together once again for our annual fundraising event. This year it was Kempsford CofE Primary school's turn to host. There were lots of smiley faces. Thank you to everyone involved in organising and taking part.

Move Up Morning

Next Thursday, 9th July, pupils will be spending the morning in the classroom they will be in next academic year. Our new Reception pupils will also be having their second visit.

Teachers:

- Maple - Mrs Hopkins & Mrs Duffey
- Willow - Miss Jackson
- Chestnut - Mrs Miller
- Oak - Mr Pugh

Water Safety

As the weather gets warmer, more people are spending time in open water locations. Safety organisations are encouraging everyone to learn simple ways to stay safe so they can enjoy being in and around water responsibly.
