20th April 2026

Dear Parents and Carers,

EYFS Parent-School Partnership –Summer Term 2026

Continuing on from the success of last term’s family sessions we are running them again! When parents and schools work together, it creates a supportive environment for your child’s growth, learning, and overall development both at school and at home. During the Summer Term, the EYFS unit will be inviting parents and carers into school during phonics, guided reading, dough disco, fine motor and outdoor learning. During the Summer Term we also have a special Father’s Day Craft Play and Stay session.

During these family sessions, parents and carers can learn strategies to help their children with their learning, understanding and development. Teachers can provide insights into the Monster Phonics scheme being used, so parents know exactly how to support their child's learning and development at home.

In order to enable as many families as possible to join us at these events, each session will be limited to a maximum of 10 adults per session. We ask that in the first instance, a maximum of 2 sessions are booked with only one adult attending the session. Booking is essential and will close a week before the session, we will open up any additional spaces after the closing date. These can be found under the Clubs tab on School Spider, unfortunately we cannot accept walk-ins on the day due to limited space and safeguarding procedures.

The timetable of EYFS events is attached to this School Spider message and can be found under the Letters tab on our website.

If you are joining an event, please enter via the School Office to sign in.

We hope you can join us at an event.

Kind Regards,

Mrs Anna Ayrton
EYFS Unit Manager and Teacher
