

After School clubs with The Clay Team
Thursday's 3.15pm-4.15pm
4th June-10th July

Dear Parent/Guardian,

We would like to invite your child to join us at Barkisland School for our after-school club with The Clay Team where they can enjoy a themed workshop. We work each term on different subjects and seasonal themes. This term our theme will be Food Fusions so join us for some Clay modelling fun. We offer our workshop at a special community rate of £5.50pp per week.

All The Clay Team activities are based on 3 basic shapes a sphere, a cone and a cylinder which adds an element of fun whilst teaching 3D shapes and colour mixing. Suitable for all ages and abilities 3+, we cover a wide range of educational themes and topics using hidden learning – what will you create?
