CLASSROOM VOLUNTEERS

Classroom volunteers are a valuable extra resource that enables our school to provide quality education and experiences for all of our children

We are very fortunate each academic year, to be able to welcome a number of volunteers into school each week. In the past, we have had up to 20 people giving up some of their free time to help in school, which is much appreciated.

If you are interested in volunteering in school or know someone else who would be interested in coming into school to listen to children read, we would love to hear from you. Ideally, we would prefer it if you had a specific time each week you could commit to. Alternatively, if this is too big a commitment, let us know if you could help with specific events (eg sporting events, school trips etc). We are also looking for parents who would occasionally be able to assist with transporting children to/from sporting events during this academic year. Please note that we expect all of our volunteers to complete an enhanced DBS check prior to volunteering.

If you feel you would be able to help in any capacity, please follow the link below to complete the google form with your details by 12 noon on Monday 21 September 2026. Once we have collated the forms, we will allocate a class / curriculum area / time for you in school.

Thank you for your continued support and we will be in touch shortly.

Yours sincerely

Mrs Becky Schofield
Headteacher
