## **Christmas Collections**

**The following charities were sent the following donations of £206.59 each, which were the proceeds of our Christmas service collections.**

**The Childrens' Society  
Mary Stevens Hospice  
Christian Aid**

A chance to learn a new skill and discover the power of percussion is on offer at a drumming workshop in Stourbridge.

Members of the Spirit of Djembe community group are hoping to recruit new members at the open event on  
**Thursday February 19.**

The group uses energetic rhythms of West African drumming to spread the joy of making music while also supporting community and charity events.

The latest workshop will be held at **St James' Church Hall, Belfry Drive, Wollaston**, from 10am to 4pm and is open to everyone from beginners to more experienced drummers. Cost for non-members is £20 including use of a djembe drum for the day, morning coffee and tea and a scone in the afternoon break.

Anyone interested in joining the workshop can contact the group's leader Faith Sax on 07526 261250 or email [spiritofdjembeorg@outlook.com](mailto:spiritofdjembeorg@outlook.com)
