

## Message from the Headteacher

Dear Parents and Carers,

It has been lovely to see everyone back in school after the Easter break and it's been a very busy start to term. Class 4 have begun swimming lessons, which are part of our PE curriculum. I know that some children were nervous about this but they showed great resilience to overcome their nerves.

Class 3 had their first Forest School session on Tuesday where they learned how to tie different knots and build and light the fire. I know Miss Miller was very impressed with their teamwork and listening skills. Class 1 have also been in the woods with a visit to Sandal Beat Wood to start their new project. They had a great time learning how to identify different trees, making bark rubbings and building and testing dens.

Children across the school work very hard to earn gems tokens for following our rules. This week, green and yellow teams had their rewards for this. Blue team voted for a forest school activity as their reward and that will take place next week. Well done to them all!

Miss Stothard

## UPCOMING DATES

## Attendance

### Attendance Ladder

How close are you to reaching to the top?

**To report a child's absence please contact the school office on 01709 740879**

## AT KIMBERWORTH WE LOVE TO READ!

We ask that children read **at least 3 times each week**. Please record this in reading diaries. Each week, the class with the highest percent of regular readers can choose a new book for their class.
