Kimberworth Community Primary School Newsletter 02.11.26

Message from the Headteacher

Dear Parents,

I hope that you have all enjoyed the half term break.

I would like to welcome Miss Wardle to the staff team as our new school business manager.

Our FREE breakfast club has been very popular and will continue this half term. Children can come in to school through the hall from 8.15am and have breakfast or just enjoy some social time with their friends before lessons start. Everyone is welcome!

Some new after school clubs are starting this week and can be booked on Arbor. More clubs will be added later in the week. Our own after school wrap around care is also available for either one hour costing £3 or until 5.45pm for £9.

This is always a busy half term and I've added lots of new dates for your diary to this newsletter to help you plan ahead.

Miss Stothard

School Lunches

Just a reminder that the new school menus start this week. These have been shared on Dojo and can be found on the school website.

If your child has a **packed lunch from home**, please note that these cannot include leftover takeaways, any meat that is on the bone or packets of sweets.

Thank you for your support with this.

From September, Benedict's Law came in to place which sets out allergy safety expectations for schools. All staff have received allergy awareness and emergency response training and we have a kit of spare adrenaline auto-injectors on site. In assemblies, the children have also found out about what it's like to live with allergies.

Our whole school allergy policy can be found on the school website.
