The First Two Days of Year 1!

Thursday 3rd September

The first day of school will be a Stop Day where the children will be getting to know their new year group and participating in lots of fun activities.

We would like to invite parents/carers to come into class and read a story with their child on the Thursday afternoon at 2:50pm until the end of the day (3:20pm). This gives you a chance to see the classroom and spend some time with your child in their new class. We understand that parents may have work commitments but if you can make it, we would love to welcome you into the classrooms. Please fill in google form on Seesaw if you would like to come.

Friday 4th September

The second day of school will be a writing day where the children will participate in lots of engaging activities and produce some lovely writing and artwork based on a story.

child's vocabulary
and instil a love of
reading

week's learning.
Upload work

comments to
encourage your
child. They love this!

Keep playing games
regularly to build on your
child's mathematical
knowledge in a fun way.

How to contact us?

Changes to the week or any important information will be communicated through School Spider or Seesaw.

If you need to speak to us, we are available at drop-off or pick-up for quick messages. At the end of the day, we may just ask you to wait until we have seen all the children out as keeping the children safe is our priority.

Alternatively, you can email us on:

ckilby@thequinta.cheshire.sch.uk

dbuehler@thequinta.cheshire.sch.uk

We will aim to get back to you within 48 hours.

Please refrain from communicating with us via Seesaw during the school day as we often do not pick this up due to the amount of posts from the children. If you need to pass any information on during the school day, please contact the office and they will ensure this is passed to us.

Thank you!
